STRONG MOVEMENT TO PRESERVE MOUND

BOARD OF TRADE ADOPTS RESOLUTION ASKING COMMISSIONERS TO DEFER WORK UNTIL NEXT SPRING.

Joining heartily in the movement to preserve Turtle Mound because of its historical importance and significance, the New Smyrna-Coronado Board of Trade will use its influence to have the mound retained in its present state. This is following the action taken at the last meeting of the Woman's club, when a resolution was adopted that a petition be presented to the board of county commissioners to not have the mound demolished, and the other women's clubs in the county will be asked to take the same action.

The matter of the preservation of the mound was freely discussed at the meeting of the board of trade on Wednesday night and the following resolution was adopted:

"Whereas, it is desirable to preserve forever the remains of the three historic objects of this locality, namely, the Old Mission, the Old Fort and Turtle Mound, and

"Whereas, the destruction of Turtle Mound is proposed for the purpose of building public roads, therefore be it

"Resolved, that it is the sense of the New Smyrna-Coronado Board of Trade that the preservation of this, the last of our shell mounds, is of greater interest to the public at large than the building of a shell road, and that we respectfully petition the Board of County Commissioners to defer the destruction of this mound until the state legislature shall have been given an opportunity to make some effort to preserve it."

Recently L. B. Bouchelle and Dr. D. Forster went to DeLand to confer with Senator Hulley regarding the preservation of the mound as a historical landmark. Arrangements are being made for a dinner to be given soon at the mound, presided over by Capt. Sams, who will broil his famous steaks for the guests. Dr. Hulley and S. A. Wood of DeLand will be the guests of honor at the dinner.

Sentiment for preservation of the mound in its present state is growing stronger each day.

Turtle Mound was owned by D. P. Smith and J. P. Turner, who are said to have offered it repeatedly to the state historical society, but were unable to create sufficient interest to have it taken over. It was on the market for a number of years and was finally purchased by the county board for the fifth commissioner's road district, with the plan of using the shell for repairing and building roads in this district.

Since Christopher Columbus first sighted these shores and the first settlement in America was established at New Smyrna, Turtle Mound has been the one landmark for which the sailors watched, seen far out to sea and known the world over long before a

WOMAN'S CLUB WILL HAVE OPEN MEETING

SESSION IN PUBLIC SCHOOL AUDITORIUM NEXT MONDAY TO BE ADDRESSED BY MRS. JACK CAVENDISH.

The regular meeting of the Woman's club will be held in the public school auditorium next Monday afternoon, January 17, at 2 o'clock. This will be an open meeting and all women of the town are invited to attend. At this time they will be addressed by Mrs. Jack Cavendish on the problems of civic importance. Mrs. Cavendish, who is spending the winter here, is a club woman and lecturer of note, having traveled extensively and addressed audiences throughout the United States. It will be a rare privilege for the women of New Smyrna to hear Mrs. Cavendish and all are urged to attend Monday's meeting.

The musical program of the afternoon will be furnished by Miss Edith Newell and Mrs. Karl Leopold. Mrs. Leopold has not sung in public recently and the Woman's club is glad to introduce her again to its audiences, while Miss Newell at the piano promises a treat instrumentally.

Cafeteria Supper and Sale

Next Wednesday night, January 19, the social department of the Woman's club will serve a cafeteria, supper at Guild hall, from 5 to 7 o'clock. A splendid menu has been prepared and the best of service will be provided. There will also be on sale plain articles, such as aprons, kitchen towels, pillow slips, children's clothing, etc. The proceeds will be turned over to the building fund of the Woman's club and will be applied directly to the payments on the lot purchased for a clubhouse. Everybody is invited to come and enjoy a good supper and a social evening. There will be music during the supper hours.

H. Houston arrived last week from Colquitt, Ga., and is employed in the Bush grocery store.

Lighthouse loomed its head above the waters on American coasts.

Title to the mound is now vested in Volusia county and it can only be made a permanent historical monument, either by Volusia county as a whole purchasing it from the fifth road district, or by an enactment by the state legislature of a purchase clause.

Dr. Bouchelle has had correspondence with the Smithsonian institute relative to the mound's preservation, and the institute recommends that those locally interested take the matter up with our state legislators. Dr. Hulley, president of Stetson university and state senator for this county, is a man of great learning and personally feels much interest and enthusiasm in all that pertains to the ancient history of Florida. He must, however, be convinced that it would be his duty as a legislator to take necessary action toward the purchase of the mound by the state.

FORMER LOCAL MAN DEAD BY OWN HAND

DESPONDENCY OVER ILL HEALTH CAUSED J. H. FORCE TO TAKE HIS OWN LIFE IN JACKSONVILLE.

Friends here were shocked Wednesday when they received the news that J. H. Force had committed suicide in a Jacksonville hotel. Mr. Force was for more than two years chief clerk in the office of the superintendent of the railroad here and was well known in the city. Several months ago he suffered a stroke of paralysis and was taken to the railroad hospital in St. Augustine. He recovered from the stroke sufficiently to go to Jacksonville, where he had been staying in a hotel. Mr. Force had not a relative in the world, so he had informed friends here. The following, taken from the Times-Union of yesterday morning, explains the circumstances:

"With a bullet wound in the temple, the dead body of J. H. Force, 55, was found in a room in the Everett hotel at about 1:30 o'clock yesterday afternoon. Force was formerly chief clerk in the office here of the Florida East Coast railroad.

"The body was found by a negro chambermaid. She said at about 10 a. m. yesterday she heard shooting like the report of a revolver, but concluded that it was the backfire of an automobile. She discovered Force's body when she entered the room later.

"The police made an investigation and the case was officially pronounced a suicide.

"Force left a note, addressed to the coroner, in which he stated he intended to take his own life and to see that his hotel and funeral bills were paid, as money would be left for that purpose. There was another letter addressed to a friend of the dead man.

"Force had been making his home at the Everett for the past several months. Friends stated that ill health was probably the cause of the rash deed. The bullet, after entering his head on the right side, passed clear through and struck the wall on the other side of the room."

PROHIBITION OFFICER LOCATES MOONSHINE

Prohibition Enforcement Officer W. L. Cooper has been busy in this section lately investigating rumors and following up tips and as a result made a raid on the place conducted by Martin Lupton near the railroad tracks last Saturday night. It is said the enforcement officer found a quantity of moonshine in the place and evidence that selling had been going on. The evidence was turned in to headquarters for action to be taken.

The same night the enforcement officer located and confiscated a still near Hencoe. The still was located on an island out in a swamp and that it had been in recent operation was evident from the fact that it was still hot when the officer arrived. The still, together with about 200 gallons of buck, was destroyed. Nobody was found in the vicinity of the still.

Sunday night a boat loaded with booze, and said to have been on its way to Daytona, attempted to enter the inlet and struck a sandbar. After getting off the bar the boat developed engine trouble and Capt. Lindquist from the lighthouse went out to see if he could give any assistance. He found an armed guard on the boat and was told his assistance was not needed. Later, the crew got the engine started and the boat put back to sea going south, and made no further attempt to come through the inlet.

BRANN RECEIVES AN INTERESTING PICTURE

Secretary J. A. Brann of the board of trade has received from D. A. Scott of Worcester, Mass., an interesting picture of Governor Coolidge receiving the officers of the Worcester Garden City of which Mr. Scott is president and in the photograph stands beside Governor Coolidge, surrounded by the officers, trustees and student body. Mr. Scott is a valued winter resident of Coronado and with his family spends several months each year in his home there.

Mrs. Ed Roach spent a night last week in the city, on her way from St. Augustine, where she was placing Marie in the convent school, to her home in Plant City, where her husband is a practicing physician.

CITIZENS PLAN TO HAVE GOLF COURSE

PROPOSITION IS ENTHUSIASTICALLY RECEIVED AT MEETING OF BOARD OF TRADE HELD THIS WEEK.

Is New Smyrna dead? Not yet! New Smyrna is more awake and booming at the present time than she has been at any time in her history. Within the next year New Smyrna will have taken greater strides forward than she has ever taken, and returning winter visitors next season will hardly know the old town.

This is the sentiment expressed or intimated at the meeting of the board of trade Wednesday night when the subject of a golf and country club was brought up and discussed. The question of a golf course and country club has been discussed many times in the past and it has always seemed to be too far in the future to be taken hold of and pushed as a possibility of the present. However, the time seems to be ripe now for the organization of such an undertaking and the board of trade is backing the proposition wholeheartedly.

When the matter came up for discussion at the meeting Wednesday night Jack Cavendish made an impassioned speech in which he pointed out the bright future for New Smyrna and this vicinity and explained that a golf course and country club can be secured for this city, if the people will back the proposition as it should be backed. The sentiment of the members present at the meeting was strongly in favor of pushing the proposition through to a successful conclusion. A voluntary subscription of \$1,000 to be taken in stock was made by Paxton & Rowley and a similar subscription was made by J. T. Hammond. Subscriptions will be asked from other citizens.

In order to keep the movement under way the president appointed a golf course committee, as follows: Jack Cavendish, chairman; Dr. Forster and W. E. Swoope.

Report on Road Meeting

The secretary reported that the road meeting called for last Saturday was not a success because of non-attendance from the different commercial bodies along the coast. Letters from these organizations explained their inability to attend, and endorsed the movement to form a good roads association along the coast. The secretary was instructed to continue his efforts to form this organization.

Bungalow Committee

Chairman Cavendish reported that the clock made to record the progress of the bungalow donations had been placed in the window of Smith's jewelry store and the hand had been started at \$4,800. Mr. Cavendish explained that there were a number of donations that had been received that would increase this amount considerably, but they would not be able to register them for a day or two, owing to delays in having these donations verified by mail. Louis Howell reported on this same committee for his father of the Bond-Howell Lumber company that they had received several letters offering to furnish the roofing, plaster and metal lath. These donations cannot be registered until the firms are notified of the exact amounts of material needed.

White Way Is Needed

The need of a white way on Canal street and the necessity for covering the canal were discussed and the following committee was appointed: S. Ross, chairman; C. J. Norman and L. H. Elias, to take care of these two projects, co-operate with the city commissioners and the city manager and report back to the board of trade.

HAWKS PARK GETS KEEWATIN INSTITUTE

The Kewatin Military Institute faculty pupils and attaches no longer will make St. Augustine their winter home, bag and baggage having been packed up and the school removed to Hawks Park Florida, near New Smyrna, where the institution wintered before coming to St. Augustine some years ago. There is no regret expressed locally at the departure of Kewatin. It is understood the new Flagler hospital will make use of the property, and the sentiment here seems to favor the development of the place by the hospital rather than a further encouragement of the school.—St. Augustine Record.

H. L. Lowd came up from Titusville and spent Sunday here.

CITY PUBLIC MEETING TO BE HELD JAN. 25

CALL ISSUED FOR GATHERING TO DISCUSS CITY AFFAIRS TO BE HELD SOON IN THE CITY BUILDING.

The first public meeting of taxpayers and citizens to be held under the provisions of the new city charter, has been called for Tuesday evening, January 25th, to be held in the city building at Live Oak street and Lytle avenue, and all taxpayers and citizens are invited to attend this meeting. The purpose of the meeting is to talk over matters of interest to the citizens and adopt recommendations to be made to the city commissioners.

The plan of the charter board in having this section placed in the charter was that the people should get together once each year and discuss matters in a general way and if it was considered any definite action should be taken by the commissioners, make recommendations to this effect. At this meeting the city auditor and clerk and city manager are required to be present with such records and reports as may be needed and prepared to answer such questions and give such information as the taxpayers may wish to know.

The new plan of city government has been in operation such a short time and the city manager, clerk and auditor have been so occupied with the work of getting the city books and records straightened out and some system established that the only reports that can be made to the public meeting at this time is what has been accomplished since the first of the month. By the time the next public meeting is called for 1922 it is expected the city affairs will have been put on a systematic basis.

The public meeting is called by the provisions of section 212 of the city charter, which reads as follows:

"In the interest of the citizens and taxpayers and their knowledge of the manner in which the affairs of the city are being conducted, a public meeting shall be called once each year. It shall be the duty of the city auditor and clerk to give notice of such public meeting in a newspaper published in the city between January 10th and January 20th of each year, such public meeting to be held in some convenient public place between January 20th and January 31st next ensuing. The city auditor and clerk and city manager shall be present at such public meeting to furnish such data and facts in their possession as may be required to show the manner in which the affairs of the city have been conducted during the past year. If, after a full and free discussion, a majority of the taxpayers of the city there present shall decide some definite proposition will be to the best interests of the city, they may embody such proposition in a recommendation to the city commission. This recommendation shall be acted upon by the city commission at their next regular meeting. If such action be favorable thereto, it shall at once be embodied in an appropriate ordinance or resolution, which ordinance or resolution

INITIAL NUMBER OF HOME TALENT COURSE

PLANS COMPLETED FOR SERIES OF SPLENDID ENTERTAINMENTS TO BE GIVEN BY LOCAL TALENT.

Plans are now complete for the home talent entertainment course to be conducted by the Woman's club and the tickets will be put on sale at once. The course, which will consist of four numbers, is an attractive one made up of the best talent among the home and visiting people.

The first number, a miscellaneous program, will be given Tuesday night, January 25th, in the public school auditorium. This will be mainly a musical number, consisting of vocal and instrumental selections and a reading. The program in full will be given next week.

This program will be followed in three or four weeks by another, and so on until the course of four numbers has been completed. Season tickets will be sold for \$2.00, good for the entire course, and single admission to any program will be 75 cents.

The receipts from the course will be applied directly to the building fund of the Woman's club and everyone who is interested in seeing a clubhouse erected on the lot recently purchased by the club at the corner of Magnolia street and Lytle avenue, is expected to take an active interest in disposing of the tickets.

AID FOR WIDOWS IS VOTED BY COUNTY

In order to aid widows with children of school age, the board of county commissioners of Volusia county has agreed to pay such widows \$5 a month for each child, a motion to this effect being adopted at the meeting of the commissioners in DeLand last Saturday.

The motion provides that the \$5 shall be paid to the mother of the children for the use and benefit of said children, and that this pension system shall take effect from January 1, 1921.

Thirteen widows are to receive payments for the month of January for a total of 39 children, making a total appropriation for the month of \$145.

Volusia is one of the first counties in the state to adopt a pension system for widows with children of school age, and it is a movement which will meet with the unanimous approval of all thinking men and women, who realize the difficulties under which widows labor in trying to educate their children.

Mrs. E. W. Hopkins and daughter, Miss Helen, arrived Saturday from Ironwood, Mich., and are pleasantly located for the balance of the season in their bungalow on Magnolia street.

may be subject to the referendum, as are other ordinances and resolutions. If the recommendation be rejected by the city commission, the same may, by the initiative, be balloted on at the ensuing election.

"IT WILL BE DONE!"

New Smyrna has a slogan.

Short, crisp, snappy, decisive.

There are but four words in New Smyrna's slogan, "It Will Be Done!"

Three months ago it seemed impossible. Today any legitimate proposition adopted by New Smyrna's red-blooded citizens carries with it the slogan, "It Will Be Done!"

The News and the Breeze are one hundred per cent behind New Smyrna, Coronado Beach and Hawks Park.

The commission form of government is behind New Smyrna and New Smyrna is backing the commission form of government.

The Florida East Coast railroad is behind New Smyrna.

New Smyrna is behind the Bungalow Beautiful. The Bungalow Beautiful is going to carry the beauties and historical glories of New Smyrna broadcast throughout the entire United States.

New Smyrna is behind a Golf and Country club. We have got to have it, it must be here and in full swing by December, 1921.

New Smyrna says emphatically, "It will Be Done!"

If we stand behind such a slogan in the Christian and religious faith of our honest constructive convictions, we can carry out the full meaning of that slogan to the very letter of its full importance.

New Smyrna and Volusia county are behind the program to save Turtle Mound for Florida.

"It Will Be Done!"

PREHISTORIC TURTLE MOUND, B. C. 1200

By Jack Cavendish

Girt in by sea and wide flung stretch of ocean's arm,
A mound of shell crowned with somber gray and green,
Stands erect, a gaunt, grim ghost of history,
Shrouded in a robe of more than deepest mystery,
A sentinel guiding craft at sea from threatened harm,
Alone, the last, a pathetic mound of shell robed in somber sheen.

The forked tongue of racing flame across a darkened sky,
The roaring swirl of crashing winds in raging hurricane
Beat down for centuries upon thy defenseless head
But leave no imprint upon the tomb where sleeps thy dead;
Yet edict from the lip of man proclaims that romance die,
And bits of scurvy silver do thee worse than raging hurricane.

And thus the hand of man makes scar upon a printed page
Of sacred history, a page too steeped in mystery to be truly read,
Tossed to the winds thy tattered robes of somber gray and green,
Ground beneath the wheel pathetic mound of somber sheen;

And thus art thou repaid, oh Mound of prehistoric age,
Flung upon a useless road, thou and thy unknown dead.

Resolutions of respect, poetry, obituaries, church festival advertisements and similar notices of charitable, benevolent or church societies, advertising even from which money is to be received, are charged for at half rate, or five cents per line for each insertion.

PUBLIC SCHOOL NOTES

The senior rings arrived during the holidays and are now being worn by the dignified seniors.

Louise Loster has recently been enrolled as a member of the sophomore class. The total high school enrollment now is 88.

Royal Klintworth was a visitor at high school one day last week. He was formerly a student in the local high school, having attended during the sophomore and a part of the junior years. He is at present at Rollins college.

There were some what might be termed real artistic posters made for the minstrel show by grade pupils this week. In each room a free ticket will be given for the best poster of that room. The names of the winners have not yet been announced.

The net proceeds from the pay, "The Elongement of Ellen," given by the domestic science class just before the holidays, was about \$80, which will be used to pay for the sewing machine recently purchased, and the remainder for incidental expenses through this semester.

Tickets for the girls' minstrel show were put on sale Monday morning and there was some real hustling on the part of the little folks in getting a crowd for the show tonight. It is evident from the sale of tickets there will be a large crowd at the performance.

The books for the senior play, "The College Ball," have arrived and the play is under way. Rehearsals were held twice this week and the plan of the class is to hold two practices each week until the time for the presentation of the play. Each member of the senior class has a part in the play, which will be full of "pep" from start to finish.

With the new shipment of books just received the library has been brought nearer to standard. About 12 volumes of the latest books have just been received and a shipment of more than a hundred volumes is expected every day. When this shipment arrives the school library will be over the requirements of the state accredited high school commission.

Gradually the manual training pupils are getting back to the work which was left off during the holidays, as can be seen by the large number of articles turned out this week. A number of writing tables, as well as benches and a library rack were some of the articles completed this week. The library rack is to be used to store the new books recently received.

The pupils of the eighth grade, accompanied by the teachers, Misses Hart, Clements and Lawhon and Miss Gaddis, enjoyed a marshmallow roast and picnic Monday night, the crowd gathering at 7 o'clock and taking a truck to a point about four miles out on the Daytona road, where a fire was built and a general good time enjoyed. The party returned about 9 o'clock in the evening.

The following literary program was given by the senior and sophomore classes last Friday afternoon:
Song, "Let the Rest of the World Go By."

Roll call, quotations from teachers.
Reading of minutes by the secretary.

Violin solo, Nellie Dubon.
Reading, Marguerite Allen.
Selections, boys' quartette.
Class prophecy, Dorothy Louise Fuller.
Class stunt.

With the taking up of school work after the two weeks' holidays, the school term is not yet half over, and there will be no more holidays until the close of the grammar school term in May and the completion of the high school year in June, and a half year of good hard work lies ahead of the pupils. Judging by the efforts some have been putting forth during the last week they propose to

"buckle down" and make the time seem as short as possible.

Girls' Minstrels Tonight

What promises to be one of the best hits of the season in the way of amateur performances will be given tonight in the school auditorium by the local high school girls. It is the annual high school minstrel show, which was staged last year by the high school boys. Much time has been spent in preparation for the performance and the program will consist of up to date songs, solos and quartettes, dancing and the latest jokes, with specialties between the acts. The proceeds will be used to buy song books for the school.

During the last few days the secretary of the athletic council has received several letters asking for basketball games, but because of a lack of interest in the high school over the game no team has yet been organized, as was planned before the holidays. Among the teams asking for games are the DeLand school, which has a very strong team, and the Miami high school, which has an even stronger team. If the team was organized the local school would have had an opportunity to add to its popularity by taking on these teams. However, the school will make up for lost time when the baseball season rolls around.

Freshies Organize Hi-Y

At a meeting of the freshman class Tuesday afternoon after school a junior Hi-Y club was organized and the following officer chosen to serve for the initial term:

President, Helen Watson.
Vice President, Annie Ruth Webster.

Secretary and Treasurer, Gladys Wilkinson.

Press Reporter, Dorothy Morton.

It was decided to hold the regular meetings each Thursday afternoon immediately after school. This makes three Hi-Y clubs in the high school, and the youngsters have an idea their club will stand in the limelight, but this remains to be seen.

Boys Hold Orchestra Practice

Wednesday afternoon the members of the band and orchestra met with their instructor, Mr. Campbell, and held a spirited practice. This was the third practice and two new members were added to the membership list, these additions being Irwin Disbennet with a slide trombone and Dwight Hamilton with a clarinet, both making a good start. Already it can be seen that by early spring the orchestra will be able to give some real concerts, all due to the fact that all the boys, and our one feminine member, Miss Connor, are bubbling over with enthusiasm. The next meeting will be held next Wednesday afternoon.

Rearrangements were made in the grades last week to try and overcome the problem of lack of space, which is confronting the entire school. Ten of the 47 pupils of the sixth grade were moved to the fifth grade and ten of the fifth graders were moved to the second section of the fifth grade. With two different classes of work, which will necessarily have to be done by the fifth grade teachers, Misses Sawyer and Carmine, perfect work can not be expected, but under the conditions nothing else can be done. This is only one of the many troubles caused by the lack of room in the school building, which makes it evident that some provision for more room will have to be made for next year.

The following is the program to be given by the eighth grade literary society in the auditorium this afternoon:

Song by the school.
Reading, Letitia Bates.
Song, Susie Childress, Jean Adams, May Rowe, Valerie Yarbrough, Leone Long, Fred Holley, Ralph Curry and Bill Byrd.
Class prophecy, Clarence Hughes.
Violin solo, Katherine Smith.
Piano solo, Susie Childress.
School paper, George Webb.
Story by the teacher, Miss Lawhon.
Class prophecy, Susie Childress.
Reading, Valet Cunningham.
Piano duet, May Rowe and Jean Adams.
Reading, Doris Silver.
Closing song by the school.

Splendid Joint Hi-Y Meeting

What was one of the most interesting and instructive meetings held by any school organization this year was held last Friday night in the school auditorium, when the girls Hi-Y and the boys Hi-Y clubs held their first joint meeting. A special program lasting one hour was rendered, after which refreshments of sandwiches and hot chocolate were served. The purpose of the meeting was to establish a mutual friendship and spirit of co-operation between the two clubs in order that the work may be carried on together. In the future the clubs will hold a joint meeting once each month, with the girls arranging and

presenting the program at one meeting and the boys at the next one. The following program was rendered at the meeting last Friday night: Invocation by L. R. Reynolds, county Y secretary.

Roll call, with quotations from eminent men.

Song, "Lead Kindly Light."

Purpose of meeting, by Lester Robertson.

Piano solo, T. E. Bush.

Talk by Mr. Chon of Daytona.

Refreshments.

Honor Roll

Following is the honor roll for the third month of school as given out by the principal:

High School—

Marie Moody
Frances Swoope
Jane Broderick
Callie Ferguson
Sadie Fisher
Gladys Wilkinson

Eighth Grade—

Kathleen Smith
Ralph Curry
William Byrd
Leona Long
Mae Rowe
Horace Gray

Seventh Grade—

Virginia Chowning
Evaline Flenner
Mary Hill
Dorothy Furen
Aletha Currie
Radah Holland

Sixth Grade—

Katherine Norman
Katherine Cope
Sylvia Saulnier
Martha Warren
Irene Cunningham
Susie Mae Hayes

Fifth Grade—

James Morris
Louise Hammond
Katie Belle Fiveash
Albert Phillips
Norman Jordan
Sidney Wright
Bob Nash
Henry Swoope
Frances Hildreth
Eva Mae Colee
Vivian Hill
Addis McGinn
Greta Mae Lewis
Wilhelmina Gates

Fourth Grade—

Essie Mays Webb
Tiny Chivers
Myrtle Rawlins
Lowell Moulden
Kirby Dohn Chilton
Willie Bell Ashton
Dorothy Brewer
Emily Carleton
Jeanette Mathews
Kitty V. Smith
Badger Chastain
Charley Campbell

Third Grade—

Lewis Furen
Louis Webb
Doris Farnsley
Helen Seaver

The following essay is the one which took first prize in the recent essay contest conducted by the board of trade:

"How New Smyrna May Become the Wonder City of the East Coast."

By Nellie V. Dutton

To the people of New Smyrna, the one word "co-operation" should be the key to making this community the most wonderful on the East Coast of Florida. Co-operation in social, financial and civic advancement is the easiest, quickest, most scientific and pleasant way of making New Smyrna surpass the larger cities, in all ways, with which we are competing. With the idea of making New Smyrna larger and more beautiful in view, we cannot forget that our key word is "Co-operation." Then, co-operatively we must make arrangements for the accomplishment of certain things which will broaden New Smyrna's popularity and instigate in the people of the nation the desire to share in New Smyrna's beauty and wealth. First of all, our minds turn toward the farmer, the food supplier of humanity. But how can we expect farmers to come to us when we have no land which they could till? It is absurd to think of such. We must drain our back lands, of which we have such an amount. We must turn these into fertile lands, which they naturally are, minus the excess of water. As soon as this is done we will be greeted by farmers from every locality, who even now are envying the farmers of New Smyrna. In this connection arises the question of the islands and peninsulas which are lying idle in the Indian River. Not all of these, of course, could be utilized, but many could be turned into rich gardening and trucking plots. Each island could be made a separate

private estate and turned into a beautiful villa.

New Smyrna and the surrounding swamps are famous as the home of mosquitoes. We accordit these swamps and salt marshes as the breeding places of these pests. In order for New Smyrna to surpass all other cities it must become a model of sanitation. This law spells destruction to the mosquito. With the draining and reclaiming of these lands, in which they breed, the mosquitoes would be practically annihilated.

We are extremely and justly proud of the natural beauty of our city. This is a prime factor in attracting many of our winter visitors. Seemingly, there is no need of artificial beauty. In fact, there is no actual need of a playground such as is seen in larger cities. Yet if we had a park with recreative machinery added, benches to rest on, and so on, it would be a fully appreciated addition to our city. It cannot be doubted, though, that the natural beauties need care. The lawns of New Smyrna are actually an eyesore, to say nothing of the front street lawns. With very little work any lawn could be made a miniature park. With the removal of the weeds between our fences and the streets and the planting of grass, our streets would be infinitely beautiful.

"A thing of beauty is a joy forever," according to Keats. After all, joy is what tourists are seeking. If we will only take more civic pride both in public and individually, we will have more winter visitors, as well as permanent residents, and New Smyrna will grow into a city which will surpass all other cities on the coast and be a wonder city envied by the entire nation.

To take charge of the visitors and those who permanently reside here, we must have many more dwelling and rooming houses because many people each year are denied the pleasures and advantages of New Smyrna simply because we cannot accommodate them. If several wealthy business men would co-operate in building several hotels, New Smyrna would be more appreciated and bettered.

But, you may ask, "How will these outsiders know of this beautiful little city which we so rapturously adore?" Consider the bungalow plan which lately has been launched. This is one way in which we can and are being advertised. Another suggestion is to compile a booklet of New Smyrna, not strictly an advertisement, but more of a history and true presentation of the scenic beauty and commercial possibilities. These booklets could be scattered broadcast over the nation, placed in the hands of boards of trade, sent to public libraries and given to public schools as reference books. The results would be wonderful. Of course, there are numerous ways in which New Smyrna could be advertised, but individually each person can do so much in this line. However, without co-operation we can never realize anything thru advertisement.

In considering the proposition of making New Smyrna the wonder city of the East Coast, we find that practically nothing is needed to improve natural conditions. That is, each improvement which can be made is merely renovating, remodeling, or discovering of some factor already existing. What, then, keeps New Smyrna, situated on the coast as it is, from becoming a greater shipping port than Jacksonville? As it is, we make comparatively no use of our water highways, for they are in no condition to permit it. The inlet could, however, be deepened so that steamers could come into the river and bring products cheaper to the merchants. The cost of living would be lowered to the consumer then. Arising from this increase of products received is the necessity of extending the railroad facilities in order to transport the products to interior points.

Considering all these possibilities why is it that New Smyrna has not become the wonderful city which we have destined it to be? Why have we such unsightly yards and streets? Why have we no up to date park? Why have we not enough housing facilities? Is it because we do not need them? No! There is a very dire need of all the above. It is merely the lack of co-operation which causes the absence of civic beauty and the shortage of houses. Why has the inlet never been deepened? Why are we allowing our fertile lands to remain in a state of waste while the nation cries for food? Is it lack of funds? No! Funds are available. Why is it, then? Again, and doubly strong, comes the answer, "It is a lack of co-operation."

And, lastly, why are we not better known everywhere in the country? It is because where co-operation is lacking, advertisement is lacking. Why cannot we be successful without outsiders coming in? Because our population is not large enough and co-operative enough to insure success. Let us co-operate then to make New Smyrna the wonder city of the East Coast.

Mrs. A. L. Nolan left Saturday for her home in Murfreesboro, Tenn., after a visit at the home of her brother, S. M. Veronee.

*SEND YOUR FRIENDS views of Florida—postcards and larger sizes. Vande Sande Studio.

The regular meeting of the G. I. A. was held Thursday afternoon and several new names were presented for membership.

F. R. Dennis has returned to Des Moines, Iowa, and will return about the 26th of this month with another party of settlers.

**Farm Wanted: I want to hear from party having farm for sale. Give price and description. B. B. Howard, Champaign, Illinois.

Mrs. E. L. McAuley left Sunday for Mt. Gilead, N. C., in response to a message announcing the critical illness of her father.

*6-room bungalow for sale; furnished, electric lights and water, bearing fruit trees and small fruits. Harry Conrad, North Orange street.

D. Knapp left Sunday for Flint, Mich., after spending a couple of months here at the home of Mr. and Mrs. C. Ebenbeck.

**Help the Woman's club pay for its lot and build a clubhouse. Attend the cafeteria supper at Guild hall next Wednesday evening.

J. C. Walsh, who recently sold his winter home, Pioneer cottage, in Rio Vista Park, is having another winter home built nearby.

E. H. Anders and daughter, Miss Patima, are expected today from Kelley, N. C., for a visit to their son and brother, E. K. Anders.

Mr. and Mrs. Leon Williams and a friend came Sunday from Greenville, S. C., to make a short visit to Mr. and Mrs. J. A. Woodward.

Mrs. T. W. Mullen and daughter arrived Wednesday from Alexandria, Ind., and will spend the balance of the season in the Swoope cottage.

**Don't forget the Woman's club cafeteria supper at Guild hall next Wednesday evening. Chicken pileau and all other good things to eat.

Mr. and Mrs. William Foster and little daughter left Sunday for Conroe, Texas, after a month's visit to the former's sister, Mrs. G. W. Brown.

Mrs. Draham of Indiana arrived here Wednesday and is with her parents. Mr. and Mrs. Snyder, who are located at "Hoosier Rest" for the season.

*Special prices at Ross' store for Friday and Saturday, Jan. 14 and 15: 1-lb. can Corn Beef, 25c; No. 2 Tomatoes, 9c; Lard, 15c; Maxwell House Coffee, 39c; Sugar, 10c.

Mrs. M. Lyons and daughter Nell left Wednesday for their home in Kentucky, after a month's visit at the home of Mrs. Lyons' brother, R. O. Vaughn.

**The ladies of the Congregational church will serve a cafeteria supper in the church parlors January 21, beginning at 5:30 p. m. Chicken pileau and everything that's good.

Mrs. J. Q. Wallace accompanied her daughter, Leonora, to Jacksonville on Tuesday, on the latter's return to Nashville, Tenn., where she is attending the St. Cecelia academy.

*Dr. Bertrand H. Farr has diplomas from the three most popular systems of Healing, Osteopathy, Chiropractic and Medicine and Surgery. Half block west of Congregational church.

Geo. P. Johnson of Daytona Beach was a visitor in the city Tuesday. Mr. Johnson was formerly in the bicycle business in this city and has many friends here.

*The Dixie Garage now has a first class battery man added to its force of mechanics. That's the place to have your battery tested and overhauled and it will be done right.

Mr. and Mrs. J. O. Webster, Mr. and Mrs. Albert Jackson and daughter Neva of Salem, Ill., and E. M. Webster drove to Orlando and spent the day Sunday.

"Aunt Mary" Little, a well known and highly respected colored resident, died at her home on Washington street Saturday morning. She had been ill for several weeks.

Roy Galbreath has gone down the river to his truck patch on Shipyard island to attend to his vegetables for a time. Edw. Brown of Old Coronado is tending the bridge during his absence.

Mrs. J. N. Babcock and daughter, Miss Dena, of Topeka, Ind., and Miss Grace Alken of Lockport, N. Y., are recent arrivals and are pleasantly located at Mr. and Mrs. A. H. Moeller's for the season.

John Cashman and wife of Chicago arrived this week to take up their residence on the 40 acres of land which they own near Samsula. They will soon begin the construction of a home on the land.

Mr. and Mrs. J. A. Wells and wife of Bonnie Terre, Mo., arrived Thursday to spend the balance of the winter season with Mrs. Wells' parents, Judge and Mrs. T. G. Mitchell, at the Riverside apartments.

Mr. and Mrs. J. Tom Smith and their guests, Mr. and Mrs. William Booker, returned the first of the week from a motor trip down the East Coast. Mr. and Mrs. Booker left this week for their home in Atlanta.

Mrs. Bennett and her daughter, Miss Miller, of Webster Springs, W. Va., kinswomen of Mrs. H. C. Phillips, from her home town, have arrived in the city to spend the remainder of the winter.

Mr. and Mrs. Casper Silvers and children came over from Perry this week. Mr. Silvers returned home on Tuesday, but Mrs. Silvers will remain here for several months, having entered the children in school.

Mr. and Mrs. Bob Hudson returned Wednesday from Prescott, Arizona, where they have been for several months for the benefit of Mr. Hudson's health. His friends will be glad to learn he is much improved.

Mr. and Mrs. John Ackley and daughter arrived Monday from their northern home in Wilkesboro, N. J., and are located for the balance of the season in the home on Mary avenue, which they purchased last season from William Hockman.

*Better get your automobile license of H. I. Hamilton.

The high school girls will give a minstrel show in the public school auditorium tonight, at which some other home talent will participate. The proceeds will be used for the purchase of chapel song books.

*For Sale—Ford sedan, special Springfield body, shock absorbers, electric starter, lock on steering wheel, triple windshield, good tires, spare and extra tubes; car in first class condition. Mrs. H. U. Bonnet, Phone 32-2.

Mr. and Mrs. F. B. Robbins and Mr. and Mrs. M. W. Green of St. Cloud were dinner guests of Mr. and Mrs. H. L. Rood Sunday evening. They were formerly neighbors in Nebraska and this is the first time Mr. Rood has met any of the party in 18 years.

*Better get your automobile license of H. I. Hamilton.

A number of the members of the Auction club attended one of the series of parties being given by the Palmetto club in Daytona last Saturday afternoon. Mrs. George Crane and Mrs. M. Leidersdorf, former members of the local auction club, being the hostesses of the afternoon.

Building Apartment House
The apartment house which Dr. D. Forster is having erected in Roncoe Park already has one apartment rented at \$50 per month and another one spoken for as soon as the building is ready for occupancy, which will be the latter part of February.

Mrs. E. A. Latham entertained the Auction club at her home Tuesday afternoon. Several visitors, as well as the regular members, enjoyed the games. High score for the afternoon was made by Mrs. P. A. Powers and Mrs. Bailey received the guest prize. The hostess served fruit salad, sandwiches and coffee. The club will be entertained next week at the Cottage Tea room by Mrs. Kelley.

Oyster Roast Enjoyed
The "hill" crowd enjoyed an oyster roast on the river front Thursday afternoon and all had a delightful time. Besides roasted oysters, hot coffee was made in the open and saltines, sandwiches and pickles were served. Those enjoying the affair were Mesdames C. Ebenbeck, M. Knapp, J. R. Matthews, C. J. Norman, R. W. Jones, J. E. Morris, E. M. and E. C. Little, E. E. Eamer, J. R. Bush, S. Ross, T. W. Bush and E. M. Little.

AUTOMOBILE FOR SALE
*Columbia Six, run 5,500 miles, good tires and condition; \$700. See H. E. Zipperer at Standard Garage.

Mrs. Neal's Mother Ill
Mrs. B. E. Neal was called last Friday to Bloomfield, Ind., by a message saying her mother is critically ill. A message received from her since her arrival there says her mother's condition is not improved.

Bishop Curley Coming
Rt. Rev. Bishop M. J. Curley will arrive here Saturday afternoon from St. Augustine and will administer confirmation in the Catholic church Sunday evening at 7:30 o'clock. Services will be held at 10 o'clock Sunday morning, at which time the bishop will deliver a sermon.

NOTICE OF PUBLIC MEETING
Notice is hereby given that a public meeting of the citizens and taxpayers will be held in the city building Tuesday evening, January 25th, at 7:30 o'clock for the purpose of discussing matters of interest and adopting recommendations to be made to the City Commission.
C. L. DOHN,
City Auditor and Clerk.

Former Pastor Here
Rev. O. T. Uleman, former pastor of Trinity Methodist church here, was in the city Tuesday greeting his friends. Rev. Mr. Uleman has for several years been head of the Anti-Saloon League in Florida, but has severed his connection with that organization and is now financial secretary of the state Sunday School association. He was on his way to DeLand to attend the annual M. E. conference, which is in session in that city this week.

Shower for Mrs. Megargee
Mrs. Shirley Bowdon entertained Wednesday afternoon in honor of Mrs. Theodore Megargee. The occasion was in the nature of a "owel" shower for the bride and it was a complete surprise to her when a little negro girl came in and delivered a basketful of packages to her, each one containing a piece of linen. Mrs. Bowdon then served tea to her guests, who were her house guest, Miss Marion Brewster of Dayton, Misses Irene Brown, Ione Neal, Pearl Hibbard and Helen Hopkins, and Mesdames W. E. Connor, Karl Leopold, H. H. Sams and Jack Sweatt.

Given "Tacky" Surprise
A "tacky" surprise party was given last week to Mrs. F. W. Klintworth at her home in the west part of the city. The unique costumes added much merriment to the occasion. Games and music were enjoyed and hot chocolate, sandwiches, pickles and cake were served. Those attending were Mesdames Klintworth, Hardee, W. L. Riley, Eamer, Norman, E. M. Little, Morris, Vaughn, Mathews, J. R. Bush, S. Ross, Jernigan, McAuley, Veronee, E. C. Little, Nolan, Knapp and Hunt.

New Business Firms
One evening last week W. T. Silsby and sons of Coronado drove over to G. G. Warren's "Service" garage and asked him his price on the business and when they could take possession. Mr. Warren named his price and "right now" as the time for giving possession. At 7 o'clock Tuesday morning Mr. Silsby exchanged a check for the keys with Mr. Warren and the new firm of W. T. Silsby & Sons began business in the city, retaining, however, the former name of Magnolia Garage. The change came so suddenly that Mr. Warren has not decided on his future plans.

Patterson & Patterson, electrical contractors of Jacksonville have opened a branch office in the Ditzer building on Canal street.

Last week E. LaChance, a contractor from Belleview, and A. C. Price, and architect from Ocala, arrived in the city and located offices in the Werfelman building on the north side of the canal in front of the Silvers building.

VOLUSIA GETS BEST PLACE ORLANDO FAIR

The Volusia county committee, appointed several weeks ago by the county commissioners to look after details in connection with the exhibit from this county at the Mid-Winter fair at Orlando, this winter, went to that city last week to select a site for the Volusia exhibit.

The committee was extended the privilege of picking its own location at the fair, this courtesy being extended because this county carried off practically all of the prizes at the fair last year. The committee, which is composed of Ferd Nordman of Ormond Beach, R. B. F. Roper of New Smyrna, E. W. Brown of the Commercial club of DeLand and S. B. Crosby of Daytona, the latter being absent from the trip, selected 2,000 square feet of space, the entire north wing of the main or agricultural building at the fair grounds, by far the best site for an exhibit in the entire fair.

The committee is determined that Volusia county shall again carry off honors at this year's fair, which will be held February 15 to 19, and every effort will be made to collect the best exhibit possible from all portions of the county.

The annual Sub-Tropical Mid-Winter fair is the biggest event of its kind in this section of the state and the fact that Volusia county holds such a high place in the esteem of the directors is a matter of congratulation to the committee, whose endeavors the past few years have earned such a reputation.

Join the Celebration

On January 17th people of all ages, in all walks of life, and in all sections of the country will have pride in observing

National Thrift Day

The celebration cannot be complete without your participation. Wake up Thrift Day morning with the determination to do some definite thrifty thing—and don't go to bed till you've done it. There are a hundred and one ways to observe the day appropriately. As a suggestion, why not round up any slacker dollars in your possession and set them to work in an account with us?

We'll hope for a visit from you.

STATE BANK OF NEW SMYRNA
A HOME-OWNED, HOME-OPERATED INSTITUTION

CORONADO NEWS

Mr. Reed of Daytona Beach visited his son, J. A. Reed, and family Sunday afternoon.

Edw. Brown is serving as bridge tender for a short time, relieving R. O. Galbreath.

Arthur Miller of DeLand spent the week end in Coronado as a guest at the Barber house.

Mesdames Geo. Worden, William Schreck and H. C. Longstreet were visitors in Daytona Thursday.

Mr. and Mrs. G. C. Silsby attended the conference in DeLand a couple of days this week.

Mrs. John Donaldson and friends, Mrs. Hattie Buchanan, of Richmond, Ky., have taken rooms at the Ocean View hotel for a time.

Mrs. Emma Vrooman was elected delegate from this church to attend the M. E. conference in session in DeLand this week.

Mr. and Mrs. W. B. Schnatterly of Nevada, Mo., are recent arrivals and are stopping with their aunt, Mrs. Baker, in the latter's apartments.

Mr. and Mrs. J. P. Morgan left on Wednesday morning for St. Augustine, where they will spend a month before going to their home in Toledo, Ohio.

Mr. and Mrs. Chapman and Mr. and Mrs. Davis of Detroit, Mich., are recent arrivals and have taken the apartment in the Cooper house just vacated by Mr. and Mrs. Morgan.

Mr. and Mrs. Howard Smith and Mrs. Florence Wilson motored to Daytona Wednesday and called on the latter's mother, Mrs. W. I. Dutcher, who is in a hospital in that city.

Rev. W. S. Gray preached his last sermon of the conference year to a large congregation Sunday afternoon. His many friends here hope he will be returned to this charge another year.

Mr. and Mrs. D. A. Scott arrived Tuesday night from Worcester, Mass., and spent the night at the Rio Vista

hotel. They came over to the beach Wednesday morning and will spend the remainder of the winter at Holly Rood Villa.

Recent arrivals at the Ocean View hotel are P. W. Boyle, Warren, Ohio; Stephen Boyle, New Castle, Pa.; Mr. and Mrs. A. E. Hazey, Scio, Ohio; Miss N. F. Saffell, Knoxville, Tenn.; Mrs. Emille Frankenburg, Columbus, O.; Miss Maude Sullivan, Columbus, O.

The W. C. T. U. was delightfully entertained last Friday at the home of Mrs. B. Bartholomew. Mrs. Jernee gave a very interesting account of a trip to Europe, after which the regular business of the day was transacted. There are now 27 members of the W. C. T. U., which is a big gain in membership this year.

Somebody asks the question, "Why can't Coronado build a bungalow to be given away in connection with the one to be given away in New Smyrna?" The idea is advanced to make the bungalow here a second prize in the contest and have it cost not more than half as much as the Bungalow Beautiful will cost. This same public spirited person offered to give a lot on which to erect the bungalow. Let's put Coronado on the map while New Smyrna is being put there. What say YOU?

(Crowded out last week.)

Fishing from the bridge continues good. A number of sheephead have been caught recently.

Mrs. Emma Vrooman has leased all of her home for the winter season and is staying with friends in the Wolverine apartments.

Friends of Mrs. W. I. Dutcher will be glad to know she is recovering from her recent operation in a Dayton hospital.

Mr. and Mrs. Lewis Perry and the former's parents, Mr. and Mrs. Perry, Sr., motored to Kissimmee and spent the week end with friends.

Mr. and Mrs. Frank Holmes and Mr. Holmes' mother and Mrs. M. Burroughs of Detroit, Mich., arrived last Friday and have an apartment in the Ohio house.

Mr. and Mrs. Dilliam Cook and Mrs. Knapp and Miss Knapp of Batavia, N. Y., stopped Monday night enroute to Miami, where they will spend the season, and visited with their friend, Mrs. Torney.

Mrs. George Worden and sister, Mrs. Woodbury, and their aunt, Mrs. Mary Spence, of Cleveland arrived Thursday for a month's stay with their parents, Mr. and Mrs. Howard Smith, and other friends.

A jolly crowd of 21 persons enjoyed a picnic at Turtle Mound Wednesday, going down in Capt. Albert Moeller's boat "Uno." A bountiful dinner was served at noon and roast oysters were in abundance. Of course all of the men fished and one of the party, Mr. Pipes, was well rewarded for his efforts when he landed a 12-pound sea bass. The party returned late in the afternoon, tired but happy.

The first meeting of the Woman's auxiliary to the Coronado club was held Tuesday afternoon in the clubhouse. The meeting was called to order by the president, Mrs. E. H. Dunham, and the principal topic discussed was the annual bazaar, which is to be given February 22. Matters of importance concerning the bazaar were talked over and Mrs. Howard Smith was appointed chairman of the

A Rat Breeds 6 to 10 Times a Year, Averaging Ten Young to a Litter. Remember this, act as soon as you see the first rat. Get a pkg. of RAT-SNAP. It's a sure rat and mice destroyer. It's convenient, comes in cake form, no mixing. Mummifies rat after killing—leaves no smell. Cats or dogs won't touch it. Three sizes, 35c, 65c, \$1.25. Sold and guaranteed by Pitze Fur. & Hdw. Co.

Mr. and Mrs. Primm of Charlotte, N. C., and Geo. Rumlert are occupying the Jerry Griffin home place, and their many friends are glad to welcome them in the community again.

The Y. M. C. A. of DeLand held a meeting in the Shiloh school building last Sunday. There were splendid addresses, good music and those who came out enjoyed the service and it is hoped they will come again soon, and a larger crowd will certainly be present.

The Child's Welfare league of Shiloh and Allenhurst met with Mrs. George C. Kuhl last Thursday. There was a good attendance of members and several visitors were also present. It was voted to appoint Messrs. Kuhl, Padillo and Taylor a committee to build a fence and walk and plant some shade trees in the new school grounds and the league would bear the expense. It is hoped that this can be done before the next meeting, then work can begin beautifying the school grounds. After the business was transacted Mrs. Kuhl served sandwiches, coffee and cake and a delightful social hour was enjoyed by all.

DO YOU CATCH COLD EASILY

Your Vitality Is Low—Resistance Weak

YOU NEED PEPTO-MANGAN

Rich, Red Blood Will Strengthen You and Put You on Your Feet—Able to Resist Colds

Your system normally healthy should never catch cold. Your body is adjusted to take care of sudden changes in the weather.

It is when you are run down and your vitality is low that your blood cannot adjust itself. Then you take cold.

If you keep your blood in good condition, with plenty of red corpuscles, you will be strong and your body will easily adjust itself to sudden changes. You will throw off the cold germs that go flying into the air when someone with a cold sneezes.

Red-blooded men, women and children eat well. They have plenty of energy. They go along with a smile because they feel right.

Try Pepto-Mangan, the successful tonic. It is a wonderful blood builder. Take it for awhile till you feel right.

Pepto-Mangan is widely and heartily endorsed by physicians. It is effective and easy to take. It is prepared in both liquid and tablet form. The medicinal properties are the same.

Sold at any drug store. But be sure you get the genuine Pepto-Mangan—"Gude's." Ask for it by name, and be sure the full name, "Gude's Pepto-Mangan," is on the package.—Adv.

restaurant committee, the menu to be decided upon later.

*SEND YOUR FRIENDS views of Florida—postcards and larger sizes. Vande Sande Studio.

The New Year's reception given at the clubhouse was enjoyed by all present. A greater freedom from formality than is sometimes the case among so many people strange to each other. Over 150 guests were present and during a call for citizens from different states Ohio proved her superiority in numbers by 70 answering to the call. Residents from ten other states were present. A pleasing program, including both vocal and instrumental and readings was rendered by Miss Ethel Curry, Loranell Houston, Mesdames Tournay and Houston, Messrs. Reimers and Pipes. Punch and fancy cakes were served by the entertainment committee preceding the Virginia reel and some games were played. The party closed with everyone standing and singing "Auld Lang Syne." Wednesday night the regular weekly social was held and a number of people attended.

SHILOH AND ALLENHURST

Miss Ethel Williams has recovered from her recent illness.

J. A. Perkins arrived Sunday for a short stay and is again located at the Coronado house.

Mrs. Arthur Dunn and little daughter of Titusville arrived Sunday to spend a week with Mr. and Mrs. J. A. Taylor.

Mr. and Mrs. Meeker and family have gone to Miami for a stay of several weeks, but will return here before going to their home in Georgia.

Mr. and Mrs. Primm of Charlotte, N. C., and Geo. Rumlert are occupying the Jerry Griffin home place, and their many friends are glad to welcome them in the community again.

The Y. M. C. A. of DeLand held a meeting in the Shiloh school building last Sunday. There were splendid addresses, good music and those who came out enjoyed the service and it is hoped they will come again soon, and a larger crowd will certainly be present.

The Child's Welfare league of Shiloh and Allenhurst met with Mrs. George C. Kuhl last Thursday. There was a good attendance of members and several visitors were also present. It was voted to appoint Messrs. Kuhl, Padillo and Taylor a committee to build a fence and walk and plant some shade trees in the new school grounds and the league would bear the expense. It is hoped that this can be done before the next meeting, then work can begin beautifying the school grounds. After the business was transacted Mrs. Kuhl served sandwiches, coffee and cake and a delightful social hour was enjoyed by all.

BLACKSMITH and WHEELWRIGHT

New Smyrna, Florida

NOTICE OF APPOINTMENT

Notice is hereby given that the undersigned has been appointed Administrator with the will annexed of the goods not administered, of the estate of Henry L. Brown, deceased, and all heirs at law, legatees, devisees, creditors and all persons having claims or demands against said estate will present them to the undersigned, duly authenticated, within the time prescribed by law, or the same will be forever barred.

This 27th day of December, 1920.
MAURICE W. ASHTON.
New Smyrna, Florida. (dec31-fb25)

NOTICE OF PRIMARY ELECTION

Pursuant to the provisions of the Charter of the City of New Smyrna, notice is hereby given that a primary election will be held at the City Hall in the City of New Smyrna, Volusia County, Florida, on the 8th day of February, A. D. 1921, for the purpose of nominating candidates for one member of the City Commission, to hold office for three years, to be voted on at the general election to be held in the City of New Smyrna on the 22nd day of March, A. D. 1921.

At the primary election hereby called to be held on the 8th day of February, A. D. 1921, the same rules as apply to general elections in the City of New Smyrna shall be observed.

This 3rd day of January, A. D. 1921.

ed annually at an annual meeting of the stockholders to be held on the first Tuesday after the first Monday in January of each and every year, and the President, Vice President and Secretary and Treasurer shall be annually elected by the Board of Directors chosen in each year, and such officers shall be stockholders of said corporation. The office of Secretary and Treasurer may be held by the same officer.

The time, place and manner of calling meetings of the stockholders and directors shall be fixed by the bylaws of said corporation, and the election of the Board of Directors shall be by ballot, each stockholder to be entitled to one vote for each share of stock owned by them.

The Board of Directors shall provide for the election and appointment and fixing the duties of such other officers or agents as they may deem necessary or appropriate and public under the laws of the State of Florida, and adopt the following proposed charter.

ARTICLE I.
The name of this corporation shall be NEW SMYRNA MASONIC TEMPLE INCORPORATED, and the office of its principal place of business shall be in the City of New Smyrna, Volusia County, Florida.

ARTICLE II.
The general nature of the business or businesses to be transacted by said corporation shall be:

To purchase, or erect and maintain a building or buildings, for the use of Masonic and other Lodges and Societies, and for professional, mercantile, commercial and or manufacturing uses or purposes;

To manufacture, purchase or otherwise acquire, own, mortgage, sell, assign and transfer, or otherwise dispose of, to invest, trade, deal in and with goods, wares, and merchandise and real and personal property of every class and description;

To issue bonds, debentures or other obligations of said corporation from time to time, for any of the objects or purposes of the corporation, and to secure the same by mortgage, pledge, deed of trust, or otherwise.

The enumeration of the special powers hereinbefore set forth shall not be taken as a restriction upon the powers of said corporation, but said corporation shall have all the powers germane to the purposes for which it is organized, and shall also have all the powers authorized by, and usually granted to corporations under the laws of the State of Florida.

ARTICLE III.
The amount of capital stock of said corporation shall be Thirty Thousand Dollars (\$30,000.00), and the said capital stock shall be divided into three hundred (300) shares of a par value of One Hundred Dollars (\$100) each. The said stock may be paid for in lawful money of the United States, or any part thereof may be paid for in property, labor or services at a just valuation to be fixed by the Board of Directors of said corporation at a meeting called for such purpose.

Said corporation shall have the authority to issue non-participating, cumulative interest bearing preferred stock, the total amount of which shall not exceed Fifteen Thousand Dollars (\$15,000), bearing interest at the rate of six per cent per annum from the date of issuance; the par value of such stock shall be Fifty Dollars (\$50) per share and the same shall be redeemable under such manner, terms and conditions as the Board of Directors may determine. Such stock shall only be issued after a favorable vote for such action shall have been taken by the stockholders representing seventy-five per cent of the paid in capital stock of said corporation at a meeting or meetings duly called and held for such purpose.

ARTICLE IV.
The term for which said corporation shall exist shall be perpetual.

ARTICLE V.
The officers by whom the business or businesses of said corporation shall be conducted shall be by a board of

or advisable, and make such rules and take such action not inconsistent with the charter and bylaws of said corporation as they may deem advisable to operate and carry on the business of said corporation.

ARTICLE VI.
The names of the officers who shall conduct the business of the said corporation until those are qualified who shall be elected at the first annual meeting of the stockholders, are as follows:

A. G. Krueger, President; K. L. Chilton, Vice President; T. W. Bush, Secretary; Charles Ebenbeck, Treasurer. The aforesaid officers together with Howard G. Putnam, Trustee, G. L. Coner, Jr., Trustee, H. I. Hamilton, Trustee, E. V. Smith, Trustee, and D. F. Douglass, Trustee, shall compose the Board of Directors.

ARTICLE VII.
The highest amount of indebtedness to which the said corporation shall at any time subject itself shall be One Hundred Thousand Dollars (\$100,000.00).

ARTICLE VIII.
The corporate seal shall be an impress stamp bearing the words "NEW SMYRNA MASONIC TEMPLE INCORPORATED."

ARTICLE IX.
The stockholders of the corporation shall adopt bylaws not inconsistent with the charter of the said corporation and the laws of the State of Florida for the government of its officers, and those first adopted shall be adopted by a vote of the majority of all the shares of the capital stock of said corporation, and may be amended in the manner provided for in said bylaws.

ARTICLE X.
The names and residences of the subscribers, and the amount of stock subscribed for by each, are as follows:

A. G. Krueger, New Smyrna, Florida, one share.	One
K. L. Chilton, New Smyrna, Florida, one share.	Hundred
T. W. Bush, New Smyrna, Florida, one share.	Shares
Chas. Ebenbeck, New Smyrna, Florida, one share.	
Howard G. Putnam, Oak Hill, Fla., Trustee	
G. L. Coner, Jr., Oak Hill, Fla., Trustee	
H. I. Hamilton, New Smyrna, Fla., Trustee	
E. V. Smith, New Smyrna, Fla., Trustee	
D. F. Douglass, New Smyrna, Fla., Trustee	

In witness whereof, the said incorporators have hereunto set their hands and seals this 21st day of December, A. D. 1920.

STATE OF FLORIDA,)
COUNTY OF VOLUSIA,)
Before me, a Notary Public of the State of Florida at Large, personally appeared A. G. Krueger, K. L. Chilton, T. W. Bush, Charles Ebenbeck, Howard G. Putnam, Trustee, C. L. Coner, Jr., Trustee, H. I. Hamilton, Trustee, E. V. Smith, Trustee, and D. F. Douglass, Trustee, to me well known to be the persons described in and who executed the foregoing Articles of Incorporation, respectively in their individual or representative capacities, and severally acknowledged the execution thereof to be their free and authoritative act and deed for the uses and purposes therein expressed.

Witness my hand and official seal this 31st day of December, A. D. 1920. MAURICE W. ASHTON,
(Jan7-fb4)
Notary Public.

A SAFE TEST

For those who are in need of a remedy for kidney troubles and backache, it is a good plan to try Doan's Kidney Pills. Ask your neighbor. They are strongly recommended by people in this vicinity.

A. W. Wathen, farmer, 400 W. First St., Sanford, Fla., says: "I have used Doan's Kidney Pills off and on for several years and they are the best remedy I have had. I have suffered a lot with my back and kidney weakness. On several occasions Doan's Kidney Pills have come to my rescue when I was completely down and out with kidney trouble. When I feel their need now, they always bring the same quick results and I can't say too much in their praise." (Statement given May 23, 1914.)

On March 19, 1918, Mr. Wathen said: "I am still as strong in praise of Doan's Kidney Pills as ever. I haven't needed Doan's since giving my last endorsement."

Price 60c, at all dealers. Don't simply ask for a kidney remedy—get Doan's Kidney Pills—the same that Mr. Wathen had. Foster-Milburn Co., Mfgs., Buffalo, N. Y.

STRONG MOVEMENT TO PRESERVE MOUND

BOARD OF TRADE ADOPTS RESOLUTION ASKING COMMISSIONERS TO DEFER WORK UNTIL NEXT SPRING.

Joining heartily in the movement to preserve Turtle Mound because of its historical importance and significance, the New Smyrna-Coronado Board of Trade will use its influence to have the mound retained in its present state. This is following the action taken at the last meeting of the Woman's club, when a resolution was adopted that a petition be presented to the board of county commissioners to not have the mound demolished, and the other women's clubs in the county will be asked to take the same action.

The matter of the preservation of the mound was freely discussed at the meeting of the board of trade on Wednesday night and the following resolution was adopted:

"Whereas, it is desirable to preserve forever the remains of the three historic objects of this locality, namely, the Old Mission, the Old Fort and Turtle Mound, and

"Whereas, the destruction of Turtle Mound is proposed for the purpose of building public roads, therefore be it

"Resolved, that it is the sense of the New Smyrna-Coronado Board of Trade that the preservation of this, the last of our shell mounds, is of greater interest to the public at large than the building of a shell road, and that we respectfully petition the Board of County Commissioners to defer the destruction of this mound until the state legislature shall have been given an opportunity to make some effort to preserve it."

Recently L. B. Bouchelle and Dr. D. Forster went to DeLand to confer with Senator Hulley regarding the preservation of the mound as a historical landmark. Arrangements are being made for a dinner to be given soon at the mound, presided over by Capt. Sams, who will broil his famous steaks for the guests. Dr. Hulley and S. A. Wood of DeLand will be the guests of honor at the dinner.

Sentiment for preservation of the mound in its present state is growing stronger each day.

Turtle Mound was owned by D. P. Smith and J. P. Turner, who are said to have offered it repeatedly to the state historical society, but were unable to create sufficient interest to have it taken over. It was on the market for a number of years and was finally purchased by the county board for the fifth commissioner's road district, with the plan of using the shell for repairing and building roads in this district.

Since Christopher Columbus first sighted these shores and the first settlement in America was established at New Smyrna, Turtle Mound has been the one landmark for which the sailors watched, seen far out to sea and known the world over long before a

WOMAN'S CLUB WILL HAVE OPEN MEETING

SESSION IN PUBLIC SCHOOL AUDITORIUM NEXT MONDAY TO BE ADDRESSED BY MRS. JACK CAVENDISH.

The regular meeting of the Woman's club will be held in the public school auditorium next Monday afternoon, January 17, at 3 o'clock. This will be an open meeting and all women of the town are invited to attend. At this time they will be addressed by Mrs. Jack Cavendish on the problems of civic importance. Mrs. Cavendish, who is spending the winter here, is a club woman and lecturer of note, having traveled extensively and addressed audiences throughout the United States. It will be a rare privilege for the women of New Smyrna to hear Mrs. Cavendish and all are urged to attend Monday's meeting.

The musical program of the afternoon will be furnished by Miss Edith Newell and Mrs. Karl Leopold. Mrs. Leopold has not sung in public recently and the Woman's club is glad to introduce her again to its audiences, while Miss Newell at the piano promises a treat instrumentally.

Cafeteria Supper and Sale

Next Wednesday night, January 19, the social department of the Woman's club will serve a cafeteria, supper at Guild hall, from 5 to 7 o'clock. A splendid menu has been prepared and the best of service will be provided. There will also be on sale plain articles, such as aprons, kitchen towels, pillow slips, children's clothing, etc. The proceeds will be turned over to the building fund of the Woman's club and will be applied directly to the payments on the lot purchased for a clubhouse. Everybody is invited to come and enjoy a good supper and a social evening. There will be music during the supper hours.

H. Houston arrived last week from Colquitt, Ga., and is employed in the Bush grocery store.

Lighthouse loomed its head above the waters on American coasts.

Title to the mound is now vested in Volusia county and it can only be made a permanent historical monument, either by Volusia county as a whole purchasing it from the fifth road district, or by an enactment by the state legislature of a purchase clause.

Dr. Bouchelle has had correspondence with the Smithsonian institute relative to the mound's preservation, and the institute recommends that those locally interested take the matter up with our state legislators. Dr. Hulley, president of Stetson university and state senator for this county, is a man of great learning and personally feels much interest and enthusiasm in all that pertains to the ancient history of Florida. He must, however, be convinced that it would be his duty as a legislator to take necessary action toward the purchase of the mound by the state.

FORMER LOCAL MAN DEAD BY OWN HAND

DESPONDENCY OVER ILL HEALTH CAUSED J. H. FORCE TO TAKE HIS OWN LIFE IN JACKSONVILLE.

Friends here were shocked Wednesday when they received the news that J. H. Force had committed suicide in a Jacksonville hotel. Mr. Force was for more than two years chief clerk in the office of the superintendent of the railroad here and was well known in the city. Several months ago he suffered a stroke of paralysis and was taken to the railroad hospital in St. Augustine. He recovered from the stroke sufficiently to go to Jacksonville, where he had been staying in a hotel. Mr. Force had not a relative in the world, so he had informed friends here. The following, taken from the Times-Union of yesterday morning, explains the circumstances:

"With a bullet wound in the temple, the dead body of J. H. Force, 55, was found in a room in the Everett hotel at about 1:30 o'clock yesterday afternoon. Force was formerly chief clerk in the office here of the Florida East Coast railroad.

"The body was found by a negro chambermaid. She said at about 10 a. m. yesterday she heard shooting like the report of a revolver, but concluded that it was the backfire of an automobile. She discovered Force's body when she entered the room later.

"The police made an investigation and the case was officially pronounced a suicide.

"Force left a note, addressed to the coroner, in which he stated he intended to take his own life and to see that his hotel and funeral bills were paid, as money would be left for that purpose. There was another letter addressed to a friend of the dead man.

"Force had been making his home at the Everett for the past several months. Friends stated that ill health was probably the cause of the rash deed. The bullet, after entering his head on the right side, passed clear through and struck the wall on the other side of the room."

PROHIBITION OFFICER LOCATES MOONSHINE

Prohibition Enforcement Officer W. L. Cooper has been busy in this section lately investigating rumors and following up tips and as a result made a raid on the place conducted by Martin Lupton near the railroad tracks last Saturday night. It is said the enforcement officer found a quantity of moonshine in the place and evidence that selling had been going on. The evidence was turned in to headquarters for action to be taken.

The same night the enforcement officer located and confiscated a still near Glencoe. The still was located on an island out in a swamp and that it had been in recent operation was evident from the fact that it was still hot when the officer arrived. The still, together with about 200 gallons of buck, was destroyed. Nobody was found in the vicinity of the still.

Sunday night a boat loaded with booze, and said to have been on its way to Daytona, attempted to enter the inlet and struck a sandbar. After getting off the bar the boat developed engine trouble and Capt. Lindquist from the lighthouse went out to see if he could give any assistance. He found an armed guard on the boat and was told his assistance was not needed. Later, the crew got the engine started and the boat put back to sea going south, and made no further attempt to come through the inlet.

BRANN RECEIVES AN INTERESTING PICTURE

Secretary J. A. Brann of the board of trade has received from D. A. Scott of Worcester, Mass., an interesting picture of Governor Coolidge receiving the officers of the Worcester Garden City of which Mr. Scott is president and in the photograph stands beside Governor Coolidge, surrounded by the officers, trustees and student body. Mr. Scott is a valued winter resident of Coronado and with his family spends several months each year in his home there.

Mrs. Ed Roach spent a night last week in the city, on her way from St. Augustine, where she was placing Marie in the convent school, to her home in Plant City, where her husband is a practicing physician.

CITIZENS PLAN TO HAVE GOLF COURSE

PROPOSITION IS ENTHUSIASTICALLY RECEIVED AT MEETING OF BOARD OF TRADE HELD THIS WEEK.

Is New Smyrna dead? Not yet! New Smyrna is more awake and booming at the present time than she has been at any time in her history. Within the next year New Smyrna will have taken greater strides forward than she has ever taken, and returning winter visitors next season will hardly know the old town.

This is the sentiment expressed or intimated at the meeting of the board of trade Wednesday night when the subject of a golf and country club was brought up and discussed. The question of a golf course and country club has been discussed many times in the past and it has always seemed to be too far in the future to be taken hold of and pushed as a possibility of the present. However, the time seems to be ripe now for the organization of such an undertaking and the board of trade is backing the proposition wholeheartedly.

When the matter came up for discussion at the meeting Wednesday night Jack Cavendish made an impassioned speech in which he pointed out the bright future for New Smyrna and this vicinity and explained that a golf course and country club can be secured for this city, if the people will back the proposition as it should be backed. The sentiment of the members present at the meeting was strongly in favor of pushing the proposition through to a successful conclusion. A voluntary subscription of \$1,000 to be taken in stock was made by Paxton & Rowley and a similar subscription was made by J. T. Hammond. Subscriptions will be asked from other citizens.

In order to keep the movement under way the president appointed a golf course committee, as follows: Jack Cavendish, chairman; Dr. Forster and W. E. Swoope.

Report on Road Meeting

The secretary reported that the road meeting called for last Saturday was not a success because of non-attendance from the different commercial bodies along the coast. Letters from these organizations explained their inability to attend, and endorsed the movement to form a good roads association along the coast. The secretary was instructed to continue his efforts to form this organization.

Bungalow Committee

Chairman Cavendish reported that the clock made to record the progress of the bungalow donations had been placed in the window of Smith's jewelry store and the hand had been started at \$4,800. Mr. Cavendish explained that there were a number of donations that had been received that would increase this amount considerably, but they would not be able to register them for a day or two, owing to delays in having these donations verified by mail. Louis Howell reported on this same committee for his father of the Bond-Howell Lumber company that they had received several letters offering to furnish the roofing, plaster and metal lath. These donations cannot be registered until the firms are notified of the exact amounts of material needed.

White Way Is Needed

The need of a white way on Canal street and the necessity for covering the canal were discussed and the following committee was appointed: S. Ross, chairman; C. J. Norman and L. H. Elias, to take care of these two projects, co-operate with the city commissioners and the city manager and report back to the board of trade.

HAWKS PARK GETS KEEWATIN INSTITUTE

The Kewatin Military Institute faculty pupils and attaches no longer will make St. Augustine their winter home, bag and baggage having been packed up and the school removed to Hawks Park Florida, near New Smyrna, where the institution wintered before coming to St. Augustine some years ago. There is no regret expressed locally at the departure of Kewatin. It is understood the new Flagler hospital will make use of the property, and the sentiment here seems to favor the development of the place by the hospital rather than a further encouragement of the school. —St. Augustine Record.

H. L. Lowd came up from Titusville and spent Sunday here.

CITY PUBLIC MEETING TO BE HELD JAN. 25

CALL ISSUED FOR GATHERING TO DISCUSS CITY AFFAIRS TO BE HELD SOON IN THE CITY BUILDING.

The first public meeting of taxpayers and citizens to be held under the provisions of the new city charter, has been called for Tuesday evening, January 25th, to be held in the city building at Live Oak street and Lytle avenue, and all taxpayers and citizens are invited to attend this meeting. The purpose of the meeting is to talk over matters of interest to the citizens and adopt recommendations to be made to the city commissioners.

The plan of the charter board in having this section placed in the charter was that the people should get together once each year and discuss matters in a general way and if it was considered any definite action should be taken by the commissioners, make recommendations to this effect. At this meeting the city auditor and clerk and city manager are required to be present with such records and reports as may be needed and prepared to answer such questions and give such information as the taxpayers may wish to know.

The new plan of city government has been in operation such a short time and the city manager, clerk and auditor have been so occupied with the work of getting the city books and records straightened out and some system established that the only reports that can be made to the public meeting at this time is what has been accomplished since the first of the month. By the time the next public meeting is called for 1922 it is expected the city affairs will have been put on a systematic basis.

The public meeting is called by the provisions of section 212 of the city charter, which reads as follows:

"In the interest of the citizens and taxpayers and their knowledge of the manner in which the affairs of the city are being conducted, a public meeting shall be called once each year. It shall be the duty of the city auditor and clerk to give notice of such public meeting in a newspaper published in the city between January 10th and January 20th of each year, such public meeting to be held in some convenient public place between January 20th and January 31st next ensuing. The city auditor and clerk and city manager shall be present at such public meeting to furnish such data and facts in their possession as may be required to show the manner in which the affairs of the city have been conducted during the past year. If, after a full and free discussion, a majority of the taxpayers of the city there present shall decide some definite proposition will be to the best interests of the city, they may embody such proposition in a recommendation to the city commission. This recommendation shall be acted upon by the city commission at their next regular meeting. If such action be favorable thereto, it shall at once be embodied in an appropriate ordinance or resolution, which ordinance or resolution

INITIAL NUMBER OF HOME TALENT COURSE

PLANS COMPLETED FOR SERIES OF SPLENDID ENTERTAINMENTS TO BE GIVEN BY LOCAL TALENT.

Plans are now complete for the home talent entertainment course to be conducted by the Woman's club and the tickets will be put on sale at once. The course, which will consist of four numbers, is an attractive one made up of the best talent among the home and visiting people.

The first number, a miscellaneous program, will be given Tuesday night, January 25th, in the public school auditorium. This will be mainly a musical number, consisting of vocal and instrumental selections and a reading. The program in full will be given next week.

This program will be followed in three or four weeks by another, and so on until the course of four numbers has been completed. Season tickets will be sold for \$2.00, good for the entire course, and single admission to any program will be 75 cents.

The receipts from the course will be applied directly to the building fund of the Woman's club and everyone who is interested in seeing a clubhouse erected on the lot recently purchased by the club at the corner of Magnolia street and Lytle avenue, is expected to take an active interest in disposing of the tickets.

AID FOR WIDOWS IS VOTED BY COUNTY

In order to aid widows with children of school age, the board of county commissioners of Volusia county has agreed to pay such widows \$5 a month for each child, a motion to this effect being adopted at the meeting of the commissioners in DeLand last Saturday.

The motion provides that the \$5 shall be paid to the mother of the children for the use and benefit of said children, and that this pension system shall take effect from January 1, 1921.

Thirteen widows are to receive payments for the month of January for a total of 39 children, making a total appropriation for the month of \$145.

Volusia is one of the first counties in the state to adopt a pension system for widows with children of school age, and it is a movement which will meet with the unanimous approval of all thinking men and women, who realize the difficulties under which widows labor in trying to educate their children.

Mrs. E. W. Hopkins and daughter, Miss Helen, arrived Saturday from Ironwood, Mich., and are pleasantly located for the balance of the season in their bungalow on Magnolia street.

may be subject to the referendum, as are other ordinances and resolutions. If the recommendation be rejected by the city commission, the same may, by the initiative, be balloted on at the ensuing election.

"IT WILL BE DONE!"

New Smyrna has a slogan.

Short, crisp, snappy, decisive.

There are but four words in New Smyrna's slogan, "It Will Be Done!"

Three months ago it seemed impossible. Today any legitimate proposition adopted by New Smyrna's red-blooded citizens carries with it the slogan, "It Will Be Done!"

The News and the Breeze are one hundred per cent behind New Smyrna, Coronado Beach and Hawks Park.

The commission form of government is behind New Smyrna and New Smyrna is backing the commission form of government.

The Florida East Coast railroad is behind New Smyrna.

New Smyrna is behind the Bungalow Beautiful. The Bungalow Beautiful is going to carry the beauties and historical glories of New Smyrna broadcast throughout the entire United States.

New Smyrna is behind a Golf and Country club. We have got to have it, it must be here and in full swing by December, 1921.

New Smyrna says emphatically, "It will Be Done!"

If we stand behind such a slogan in the Christian and religious faith of our honest constructive convictions, we can carry out the full meaning of that slogan to the very letter of its full importance.

New Smyrna and Volusia county are behind the program to save Turtle Mound for Florida.

"It Will Be Done!"

PREHISTORIC-TURTLE MOUND, B. C. 1200

By Jack Cavendish

Girt in by sea and wide flung stretch of ocean's arm,
A mound of shell crowned with somber gray and green,
Stands erect, a gaunt, grim ghost of history.
Shrouded in a robe of more than deepest mystery,
A sentinel guiding craft at sea from threatened harm.
Alone, the last, a pathetic mound of shell robed in
somber sheen.

The forked tongue of racing flame across a darkened sky,
The roaring swirl of crashing winds in raging hurricane
Beat down for centuries upon thy defenseless head
But leave no imprint upon the tomb where sleeps thy
dead;
Yet edict from the lip of man proclaims that romance
die,
And bits of scordid silver do thee worse than rashing
hurricane.

And thus the hand of man makes scar upon a printed
page
Of sacred history, a page too steeped in mystery to be
truly read,
Tossed to the winds thy tattered robes of somber gray
and green,
Ground beneath the wheel pathetic mound of somber
sheen;
And thus art thou repaid, oh Mound of prehistoric age,
Flung upon a useless road, thou and thy unknown dead.

The senior rings arrived during the holidays and are now being worn by the dignified seniors.

Louise Loster has recently been enrolled as a member of the sophomore class. The total high school enrollment now is 88.

Royal Klintworth was a visitor at high school one day last week. He was formerly a student in the local high school, having attended during the sophomore and a part of the junior years. He is at present at Rollins college.

There were some what might be termed real artistic posters made for the minstrel show by grade pupils this week. In each room a free ticket will be given for the best poster of that room. The names of the winners have not yet been announced.

The net proceeds from the pay, "The Elongement of Ellen," given by the domestic science class just before the holidays, was about \$80, which will be used to pay for the sewing machine recently purchased, and the remainder for incidental expenses through this semester.

Tickets for the girls' minstrel show were put on sale Monday morning and there was some real hustling on the part of the little folks in getting a crowd for the show tonight. It is evident from the sale of tickets there will be a large crowd at the performance.

The books for the senior play, "The College Ball," have arrived and the play is under way. Rehearsals were held twice this week and the plan of the class is to hold two practices each week until the time for the presentation of the play. Each member of the senior class has a part in the play, which will be full of "pep" from start to finish.

With the new shipment of books just received the library has been brought nearer to standard. About 12 volumes of the latest books have just been received and a shipment of more than a hundred volumes is expected every day. When this shipment arrives the school library will be over the requirements of the state accredited high school commission.

Gradually the manual training pupils are getting back to the work which was left off during the holidays, as can be seen by the large number of articles turned out this week. A number of writing tables, as well as benches and a library rack were some of the articles completed this week. The library rack is to be used to store the new books recently received.

The pupils of the eighth grade, accompanied by the teachers, Misses Hart, Clements and Lawton and Miss Gaddis, enjoyed a marshmallow roast and picnic Monday night, the crowd gathering at 7 o'clock and taking a truck to a point about four miles out on the Daytona road, where a fire was built and a general good time enjoyed. The party returned about 9 o'clock in the evening.

The following literary program was given by the senior and sophomore classes last Friday afternoon:

Song, "Let the Rest of the World Go By."

Roll call, quotations from teachers. Reading of minutes by the secretary.

Violin solo, Nellie Dutton.
Reading, Marguerite Allen.
Selections, boys' quartette.

Class prophecy, Dorothy Louise Fuller.
Class stunt.

With the taking up of school work after the two weeks' holidays, the school term is not yet half over, and there will be no more holidays until the close of the grammar school term in May and the completion of the high school year in June, and a half year of good hard work lies ahead of the pupils. Judging by the efforts some have been putting forth during the last week they propose to

"buckle down" and make the time seem as short as possible.

Girls' Minstrels Tonight

What promises to be one of the best bits of the season in the way of amateur performances will be given tonight in the school auditorium by the local high school girls. It is the annual high school minstrel show, which was staged last year by the high school boys. Much time has been spent in preparation for the performance and the program will consist of up to date songs, solos and quartettes, dancing and the latest jokes, with specialties between the acts. The proceeds will be used to buy song books for the school.

During the last few days the secretary of the athletic council has received several letters asking for basketball games, but because of a lack of interest in the high school over the game no team has yet been organized, as was planned before the holidays. Among the teams asking for games are the DeLand school, which has a very strong team, and the Miami high school, which has an even stronger team. If the team was organized the local school would have had an opportunity to add to its popularity by taking on these teams. However, the school will make up for lost time when the baseball season rolls around.

Freshies Organize Hi-Y

At a meeting of the freshman class Tuesday afternoon after school a junior Hi-Y club was organized and the following officer chosen to serve for the initial term:

President, Helen Watson.
Vice President, Annie Ruth Webster.

Secretary and Treasurer, Gladys Wilkinson.
Press Reporter, Dorothy Morton.

It was decided to hold the regular meetings each Thursday afternoon immediately after school. This makes three Hi-Y clubs in the high school, and the youngsters have an idea their club will stand in the limelight, but this remains to be seen.

Boys Hold Orchestra Practice

Wednesday afternoon the members of the band and orchestra met with their instructor, Mr. Campbell, and held a spirited practice. This was the third practice and two new members were added to the membership list, these additions being Irwin Disbennett with a slide trombone and Dwight Hamilton with a clarinet, both making a good start. Already it can be seen that by early spring the orchestra will be able to give some real concerts, all due to the fact that all the boys, and our one feminine member, Miss Connor, are bubbling over with enthusiasm. The next meeting will be held next Wednesday afternoon.

Rearrangements were made in the grades last week to try and overcome the problem of lack of space, which is confronting the entire school. Ten of the 47 pupils of the sixth grade were moved to the fifth grade and ten of the fifth graders were moved to the second section of the fifth grade. With two different classes of work, which will necessarily have to be done by the fifth grade teachers, Misses Sawyer and Carmine, perfect work can not be expected, but under the conditions nothing else can be done. This is only one of the many troubles caused by the lack of room in the school building, which makes it evident that some provision for more room will have to be made for next year.

The following is the program to be given by the eighth grade literary society in the auditorium this afternoon:

Song by the school.
Reading, Letitia Bates.
Song, Surie Childress, Jean Adams.
May Rowe, Valerie Yarbrough, Leone Long, Fred Holley, Ralph Curry and Bill Byrd.

Class prophecy, Clarence Hughes.
Violin solo, Katherine Smith.
Piano solo, Susie Childress.
School paper, George Webb.
Story by the teacher, Miss Lawton.
Class prophecy, Susie Childress.
Reading, Violet Cunningham.
Piano duet, May Rowe and Jean Adams.

Reading, Doris Silver.
Closing song by the school

Splendid Joint Hi-Y Meeting

What was one of the most interesting and instructive meetings held by any school organization this year was held last Friday night in the school auditorium, when the girls Hi-Y and the boys Hi-Y clubs held their first joint meeting. A special program lasting one hour was rendered, after which refreshments of sandwiches and hot chocolate were served. The purpose of the meeting was to establish a mutual friendship and spirit of co-operation between the two clubs in order that the work may be carried on together. In the future the clubs will hold a joint meeting once each month, with the girls arranging and

presenting the program at one meeting and the boys at the next one. The following program was rendered at the meeting last Friday night:

Invocation by L. R. Reynolds, county Y secretary.

Roll call, with quotations from eminent men.

Song, "Lead Kindly Light."

Purpose of meeting, by Lester Robertson.
Piano solo, T. E. Bush.
Talk by Mr. Chon of Daytona.
Refreshments.

Honor Roll

Following is the honor roll for the third month of school as given out by the principal:

High School—

Marie Moody
Frances Swoope
Jane Broderick
Callie Ferguson
Sadie Fisher
Gladys Wilkinson

Eighth Grade—

Kathleen Smith
Ralph Curry
William Byrd
Leona Long
Mae Rowe
Horace Gray

Seventh Grade—

Virginia Chowning
Eveline Flenner
Mary Hill
Dorothy Furen
Aletha Currie
Radiah Holland

Sixth Grade—

Katherine Norman
Katherine Cope
Sylvia Saulnier
Martha Warren
Irene Cunningham
Susie Mae Hayes

Fifth Grade—

James Morris
Louise Hammond
Katie Belle Fivesash
Albert Phillips
Norman Jordan
Sidney Wright
Bob Nash
Henry Swoope
Frances Hildreth
Eva Mae Colee
Vivian Hill
Addis McGlon
Greta Mae Lewis
Wilhelmina Gates

Fourth Grade—

Essie Mays Webb
Tiny Chivers
Myrtle Rawlins
Lowell Moulton
Kirby Dohn Chilton
Willie Bell Ashton
Dorothy Brewer
Emily Carleton
Jeanette Mathews
Kitty V. Smith
Badger Chastain
Charley Campbell

Third Grade—

Etta Wright
Juanita Bates
Walter Pointon
Rosebud Greer
Haldan Connor
Evelyn Norman

Second Grade—

Blanche Galbreath
Eloise Hill
Hazel Mier
Margaret Murray
Joe Allen Deats
Ulden Thomas

First and Second Grades—

Fleta Dees
E. S. Taylor
Kenneth Houston
Katherine Swoope
Edward Connell
Blackshear Bush

First Grade—

Vera Berner
Laverna Moore
Lewis Puren
Louis Webb
Doris Farnsley
Helen Seaver

The following essay is the one which took first prize in the recent essay contest conducted by the board of trade:

"How New Smyrna May Become the Wonder City of the East Coast."

By Nellie V. Dutton

To the people of New Smyrna, the one word "co-operation" should be the key to making this community the most wonderful on the East Coast of Florida. Co-operation in social, financial and civic advancement is the easiest, quickest, most scientific and pleasant way of making New Smyrna surpass the larger cities, in all ways, with which we are competing.

With the idea of making New Smyrna larger and more beautiful in view, we cannot forget that our key word is "co-operation." Then, co-operatively we must make arrangement for the accomplishment of certain things which will broaden New Smyrna's popularity and instigate in the people of the nation the desire to share in New Smyrna's beauty and wealth. First of all, our minds turn toward the farmer, the food supplier of humanity. But how can we expect farmers to come to us when we have no land which they could till? It is absurd to think of such. We must drain our back lands, of which we have such an amount. We must turn these into fertile lands, which they naturally are, minus the excess of water. As soon as this is done we will be greeted by farmers from every locality, who even now are envying the farmers of New Smyrna. In this connection arises the question of the islands and peninsulas which are lying idle in the Indian River. Not all of these, of course, could be utilized, but many could be turned into rich gardening and trucking plots. Each island could be made a separate

private estate and turned into a beautiful villa.

New Smyrna and the surrounding swamps are famous as the home of mosquitoes. We accredit these swamps and salt marshes as the breeding places of these pests. In order for New Smyrna to surpass all other cities it must become a model of sanitation. This law spells destruction to the mosquito. With the draining and reclaiming of these lands, in which they breed, the mosquitoes would be practically annihilated.

We are extremely and justly proud of the natural beauty of our city. This is a prime factor in attracting many of our winter visitors. Seemingly, there is no need of artificial beauty. In fact, there is no actual need of a playground such as is seen in larger cities. Yet if we had a park with recreative machinery added, benches to rest on, and so on, it would be a fully appreciated addition to our city. It cannot be doubted, though, that the natural beauties need care. The laws of New Smyrna are actually an eyesore, to say nothing of the front street lawns. With very little work any lawn could be made a miniature park. With the removal of the weeds between our fences and the streets and the planting of grass, our streets would be infinitely beautiful.

"A thing of beauty is a joy forever," according to Keats. After all, joy is what tourists are seeking. If we will only take more civic pride both in public and individually, we will have more winter visitors, as well as permanent residents, and New Smyrna will grow into a city which will surpass all other cities on the coast and be a wonder city envied by the entire nation.

To take charge of the visitors and those who permanently reside here, we must have many more dwelling and rooming houses because many people each year are denied the pleasures and advantages of New Smyrna simply because we cannot accommodate them. If several wealthy business men would co-operate in building several hotels, New Smyrna would be more appreciated and bettered.

But, you may ask, "How will these outsiders know of this beautiful little city which we so rapturously adore?" Consider the bungalow plan which lately has been launched. This is one way in which we can and are being advertised. Another suggestion is to compile a booklet of New Smyrna, not strictly an advertisement, but more of a history and true presentation of the scenic beauty and commercial possibilities. These booklets could be scattered broadcast over the nation, placed in the hands of boards of trade, sent to public libraries and given to public schools as reference books. The results would be wonderful. Of course, there are numerous ways in which New Smyrna could be advertised, but individually each person can do so much in this line. However, without co-operation we can never realize anything thru advertisement.

In considering the proposition of making New Smyrna the wonder city of the East Coast, we find that practically nothing is needed to improve natural conditions. That is, each improvement which can be made is merely renovating, remodeling, or discovering of some factor already existing. What, then, keeps New Smyrna, situated on the coast as it is, from becoming a greater shipping port than Jacksonville? As it is, we make comparatively no use of our water highways, for they are in no condition to permit it. The inlet could, however, be deepened so that steamers could come into the river and bring products cheaper to the merchants. The cost of living would be lowered to the consumer then. Arising from this increase of products received is the necessity of extending the railroad facilities in order to transport the products to interior points.

Considering all these possibilities why is it that New Smyrna has not become the wonderful city which we have destined it to be? Why have we such unsightly yards and streets? Why have we no up to date park? Why have we not enough housing facilities? Is it because we do not need them? No! There is a very dire need of all the above. It is merely the lack of co-operation which causes the absence of civic beauty and the shortage of houses. Why has the inlet never been deepened? Why are we allowing our fertile lands to remain in a state of waste while the nation cries for food? Is it lack of funds? No! Funds are available. Why is it, then? Again, and doubly strong, comes the answer, "It is a lack of co-operation."

And, lastly, why are we not better known everywhere in this country? It is because where co-operation is lacking, advertisement is lacking. Why cannot we be successful without outsiders coming in? Because our population is not large enough and co-operative enough to insure success. Let us co-operate then to make New Smyrna the wonder city of the East Coast.

The WEEK'S DOINGS

Born, to Mr. and Mrs. Fred Frensky, Sunday, a son.

*Pecan Log Cabin Rolls, Rizy's.

Born, to Mr. and Mrs. Marion Guest, last week, a son.

Mr. and Mrs. A. D. Munger spent Sunday and Monday in Jacksonville.

*Dr. Farr, Washington st.

Mr. Huntington of Chicago has returned to New Smyrna for the winter season.

*Pecan Log Cabin Rolls, Rizy's.

Mrs. Mary Ditson returned Monday from a stay of a couple of days in Daytona, with her son.

*Log Cabin Rolls, Rizy's.

Mr. and Mrs. W. E. Swoope had another young son arrive at their home Thursday morning.

The W. C. T. U. held a very interesting meeting Monday afternoon in the Congregational church.

*Eggs for hatching, Magnolia Poultry Yards.

Mrs. Fred Boyer and son Lyle from Jacksonville are spending the week at the R. S. Waldrep home.

*Elder C. B. Stephenson will preach at the Seventh Day Adventist church Saturday afternoon at 3 o'clock.

**A splendid chance to buy plain articles at the Woman's club supper at Guild hall next Wednesday night.

Mr. and Mrs. W. T. Trimble left Tuesday for a trip down the coast after a visit to their son, C. Trimble.

*Log Cabin Rolls, Rizy's.

Mr. and Mrs. G. G. Warren went to Jacksonville Sunday evening, where Mr. Warren is having his eyes treated.

*Home made candy, Rizy's.

Miss Florence Neff has taken over the stenographic work for the board of trade and is now located in that office.

*Fryers and roasters for sale, 45c per pound. Fresh eggs. Mrs. Ida Dewey.

The regular monthly meeting of the Missionary society of the Baptist church was held Tuesday with Mrs. J. W. Rowe, and the regular program was given. The Aid society will meet next Tuesday afternoon with Mrs. Geo. Saxon.

Mr. and Mrs. J. A. Woodward and their friends and L. W. Baker went down the river on a fishing trip yesterday.

*Home made candy, Rizy's.

The ladies of the Catholic church held a meeting this week to make arrangements for a supper to be given February 1.

*Bids Wanted—To remove the cactuses from the Congregational church property. Inquire of W. H. Berger or J. R. Berry.

Mrs. Geo. E. Barnhardt arrived home Wednesday from Key West, where she had been visiting her daughter, Mrs. Roberts.

Mrs. A. L. Nolan left Saturday for her home in Murfreesboro, Tenn., after a visit at the home of her brother, S. M. Veronee.

*SEND YOUR FRIENDS views of Florida—postcards and larger sizes. Vando Sande Studio.

The regular meeting of the G. I. A. was held Thursday afternoon and several new names were presented for membership.

F. R. Dennis has returned to Des Moines, Iowa, and will return about the 26th of this month with another party of settlers.

**Farm Wanted: I want to hear from party having farm for sale. Give price and description. R. B. Howard, Champaign, Illinois.

Mrs. E. L. McAuley left Sunday for Mt. Gilead, N. C., in response to a message announcing the critical illness of her father.

*6-room bungalow for sale; furnished, electric lights and water, bearing fruit trees and small fruits. Harry Conrad, North Orange street.

D. Knapp left Sunday for Flint, Mich., after spending a couple of months here at the home of Mr. and Mrs. C. Ebenbeck.

**Help the Woman's club pay for its lot and build a clubhouse. Attend the cafeteria supper at Guild hall next Wednesday evening.

J. C. Walsh, who recently sold his winter home, Pioneer cottage, in Rio Vista Park, is having another winter home built nearby.

E. H. Anders and daughter, Miss Fatima, are expected today from Kelley, N. C., for a visit to their son and brother, E. K. Anders.

Mr. and Mrs. Leon Williams and a friend came Sunday from Greenville, S. C., to make a short visit to Mr. and Mrs. J. A. Woodward.

Mrs. T. W. Mullen and daughter arrived Wednesday from Alexandria, Ind., and will spend the balance of the season in the Swoope cottage.

**Don't forget the Woman's club cafeteria supper at Guild hall next Wednesday evening. Chicken pilleau and all other good things to eat.

Mr. and Mrs. William Foster and little daughter left Sunday for Conroe, Texas, after a month's visit to the former's sister, Mrs. G. W. Brown.

Mrs. Draham of Indiana arrived here Wednesday and is with her parents, Mr. and Mrs. Snyder, who are located at "Hoosier Rest" for the season.

*Special prices at Ross' store for Friday and Saturday, Jan. 14 and 15: 1 lb. can Corn Beef, 25c; No. 2 Tomatoes, 9c; Lard, 15; Maxwell House Coffee, 39c; Sugar, 10c.

Mrs. M. Lyons and daughter Nell left Wednesday for their home in Kentucky, after a month's visit at the home of Mrs. Lyons' brother, R. O. Vaughn.

**The ladies of the Congregational church will serve a cafeteria supper in the church parlors January 21, beginning at 5.30 p. m. Chicken pilleau and everything that's good.

Mrs. J. Q. Wallace accompanied her daughter, Leonora, to Jacksonville on Tuesday, on the latter's return to Nashville, Tenn., where she is attending the St. Cecilia academy.

*Dr. Bertram H. Farr has diplomas from the three most popular systems of Healing, Osteopathy, Chiropractic and Medicine and Surgery. Half block west of Congregational church.

Geo. P. Johnson of Daytona Beach was a visitor in the city Tuesday. Mr. Johnson was formerly in the bicycle business in this city and has many friends here.

*The Dixie Garage now has a first class battery man added to its force of mechanics. That's the place to have your battery tested and overhauled and it will be done right.

Mr. and Mrs. J. O. Webster, Mr. and Mrs. Albert Jackson and daughter Neva of Salem, Ill., and E. M. Webster drove to Orlando and spent the day Sunday.

"Aunt Mary" Little, a well known and highly respected colored resident, died at her home on Washington street Saturday morning. She had been ill for several weeks.

Roy Galtbreath has gone down the river to his truck patch on Shipyard island to attend to his vegetables for a time. Edw. Brown of Old Coronado is tending the bridge during his absence.

Mrs. J. N. Babcock and daughter, Miss Dena, of Topeka, Ind., and Miss Grace Aiken of Lockport, N. Y., are recent arrivals and are pleasantly located at Mr. and Mrs. A. H. Moeller's for the season.

John Cashman and wife of Chicago arrived this week to take up their residence on the 40 acres of land which they own near Samsula. They will soon begin the construction of a home on the land.

Mr. and Mrs. J. A. Wells and wife of Bonne Terre, Mo., arrived Thursday to spend the balance of the winter season with Mrs. Wells' parents, Judge and Mrs. T. G. Mitchell, at the Riverside apartments.

Mr. and Mrs. J. Tom Smith and their guests, Mr. and Mrs. William Booker, returned the first of the week from a motor trip down the East Coast. Mr. and Mrs. Booker left this week for their home in Atlanta.

Mrs. Bennett and her daughter, Mrs. Miller, of Webster Springs, W. Va., kinswomen of Mrs. H. C. Phillips, from her home town, have arrived in the city to spend the remainder of the winter.

Mr. and Mrs. Casper Silvers and children came over from Perry this week. Mr. Silvers returned home on Tuesday, but Mrs. Silvers will remain here for several months, having entered the children in school.

Mr. and Mrs. Bob Hudson returned Wednesday from Prescott, Arizona, where they have been for several months for the benefit of Mr. Hudson's health. His friends will be glad to learn he is much improved.

Mr. and Mrs. John Akley and daughter arrived Monday from their northern home in Wildwood, N. J., and are located for the balance of the season in the home on Mary avenue, which they purchased last season from William Hockman.

*Better get your automobile license of H. I. Hamilton.

The high school girls will give a minstrel show in the public school auditorium tonight, at which some other home talent will participate. The proceeds will be used for the purchase of chapel song books.

*For Sale—Ford sedan, special Springfield body, shock absorbers, electric starter, lock on steering wheel, triple windshield, good tires, spare and extra tubes; car in first class condition. Mrs. H. U. Bonnet, Phone 32-2.

Mr. and Mrs. F. B. Robbins and Mr. and Mrs. M. W. Green of St. Cloud, were dinner guests of Mr. and Mrs. H. L. Road Sunday evening. They were formerly neighbors in Nebraska and this is the first time Mr. Road has met any of the party in 18 years.

*Better get your automobile license of H. I. Hamilton.

A number of the members of the Auction club attended one of the series of parties being given by the Palmetto club in Daytona last Saturday afternoon, Mrs. George Crane and Mrs. M. Leidersdorf, former members of the local auction club, being the hostesses of the afternoon.

Building Apartment House
The apartment house which Dr. D. Forster is having erected in Ronnoc Park already has one apartment rented at \$50 per month and another one spoken for as soon as the building is ready for occupancy, which will be the latter part of February.

Mrs. E. A. Latham entertained the Auction club at her home Tuesday afternoon. Several visitors, as well as the regular members, enjoyed the games. High score for the afternoon was made by Mrs. P. A. Powers and Mrs. Bailey received the guest prize. The hostess served fruit salad, sandwiches and coffee. The club will be entertained next week at the Cottage Tea room by Mrs. Kelley.

Oyster Roast Enjoyed
The "bill" crowd enjoyed an oyster roast on the river front Thursday afternoon and all had a delightful time. Besides roasted oysters, hot coffee was made in the open and saltines, sandwiches and pickles were served. Those enjoying the affair were Mesdames C. Ebenbeck, M. Knapp, J. R. Mathews, C. J. Norman, R. W. Jones, J. E. Morris, E. M. and E. C. Little, E. E. Eawier, J. R. Bush, S. Ross, T. W. Bush and E. M. Little.

AUTOMOBILE FOR SALE
*Columbia Six, run 5,500 miles, good tires and condition; \$700. See H. E. Zipperer at Standard Garage.

Mrs. Neal's Mother Ill
Mrs. E. E. Neal was called last Friday to Bloomfield, Ind., by a message saying her mother is critically ill. A message received from her since her arrival there says her mother's condition is not improved.

Bishop Curley Coming
Rt. Rev. Bishop M. J. Curley will arrive here Saturday afternoon from St. Augustine and will administer confirmation in the Catholic church Sunday evening at 7:30 o'clock. Services will be held at 10 o'clock Sunday morning, at which time the bishop will deliver a sermon.

NOTICE OF PUBLIC MEETING
Notice is hereby given that a public meeting of the citizens and taxpayers will be held in the city building Tuesday evening, January 25th, at 7:30 o'clock for the purpose of discussing matters of interest and adopting recommendations to be made to the City Commission.
C. L. DOHN,
City Auditor and Clerk.

Former Pastor Here
Rev. O. T. Uleman, former pastor of Trinity Methodist church here, was in the city Tuesday greeting his friends. Rev. Mr. Uleman has for several years been head of the Anti-Saloon League in Florida, but has severed his connection with that organization and is now financial secretary of the state Sunday School association. He was on his way to Deland to attend the annual M. E. conference, which is in session in that city this week.

Shower for Mrs. Megargoe
Mrs. Shirley Bowdon entertained Wednesday afternoon in honor of Mrs. Theodore Megargoe. The occasion was in the nature of a 'owel' shower for the bride and it was a complete surprise to her when a little negro girl came in and delivered a basketful of packages to her, each one containing a piece of linen. Mrs. Bowdon then served tea to her guests, who were her house guest, Miss Marion Brewster of Dayton, Misses Irene Brown, Ione Neal, Fern Hubbard and Helen Hopkins, and Mesdames W. E. Connor, Karl Leibold, H. H. Sams and Jack Sweet.

Given "Tacky" Surprise

A "tacky" surprise party was given last week to Mrs. F. W. Klintonworth at her home in the west part of the city. The unique costumes added much merriment to the occasion. Games and music were enjoyed and hot chocolate, sandwiches, pickles and cake were served. Those attending were Mesdames Klintonworth, Hardee, W. L. Riley, Eamer, Norman, E. M. Little, Morris, Vaughn, Mathews, J. R. Bush, S. Ross, Jernigan, McAnley, Veronee, E. C. Little, Nolan, Knapp and Funt.

New Business Firms

One evening last week W. T. Silsby and sons of Coronado drove over to G. G. Warren's "Service" garage and asked him his price on the business and when they could take possession. Mr. Warren named his price and "right now" as the time for giving possession. At 7 o'clock Tuesday morning Mr. Silsby exchanged a check for the keys with Mr. Warren and the new firm of W. T. Silsby & Sons began business in the city, retaining, however, the former name of Magnolia Garage. The change came so suddenly that Mr. Warren has not decided on his future plans.

Patterson & Patterson, electrical contractors of Jacksonville have opened a branch office in the Dilzer building on Canal street.

Last week E. LaChance, a contractor from Bellevue, and A. C. Price, and architect from Ocala, arrived in the city and located offices in the Werfelman building on the north side of the canal in front of the Silvers building.

VOLUSIA GETS BEST PLACE ORLANDO FAIR

The Volusia county committee, appointed several weeks ago by the county commissioners to look after details in connection with the exhibit from this county at the Mid-Winter fair at Orlando, this winter, went to that city last week to select a site for the Volusia exhibit.

The committee was extended the privilege of picking its own location at the fair, this courtesy being extended because this county carried off practically all of the prizes at the fair last year. The committee, which is composed of Ferd Nordman of Ormond Beach, R. B. Roper of New Smyrna, E. W. Brown of the Commercial club of Deland and S. B. Crosby of Daytona, the latter being absent from the trip, selected 2,000 square feet of space, the entire north wing of the main or agricultural building at the fair grounds, by far the best site for an exhibit in the entire fair.

The committee is determined that Volusia county shall again carry off honors at this year's fair, which will be held February 15 to 19, and every effort will be made to collect the best exhibit possible from all portions of the county.

The annual Sub-Tropical Mid-Winter fair is the biggest event of its kind in this section of the state and the fact that Volusia county holds such a high place in the esteem of the directors is a matter of congratulation to the committee, whose endeavors the past few years have earned such a reputation.

CORONADO NEWS

Mr. Reed of Daytona Beach visited his son, J. A. Reed, and family Sunday afternoon.

Edw. Brown is serving as bridge tender for a short time, relieving R. O. Galbreath.

Arthur Miller of DeLand spent the week end in Coronado as a guest at the Barber house.

Mesdames Geo. Worden, William Schreck and H. C. Longstreet were visitors in Daytona Thursday.

Mr. and Mrs. G. C. Silsby attended the conference in DeLand a couple of days this week.

Mrs. John Donaldson and friend, Mrs. Hattie Buchanan, of Richmond, Ky., have taken rooms at the Ocean View hotel for a time.

Mrs. Emma Vrooman was elected delegate from this church to attend the M. E. conference in session in DeLand this week.

Mr. and Mrs. W. B. Schnatterly of Nevada, Mo., are recent arrivals and are stopping with their aunt, Mrs. Baker, in the latter's apartments.

Mr. and Mrs. J. P. Morgan left on Wednesday morning for St. Augustine, where they will spend a month before going to their home in Toledo, Ohio.

Mr. and Mrs. Chapman and Mr. and Mrs. Davis of Detroit, Mich., are recent arrivals and have taken the apartment in the Cooper house just vacated by Mr. and Mrs. Morgan.

Mr. and Mrs. Howard Smith and Mrs. Florence Wilson motored to Daytona Wednesday and called on the latter's mother, Mrs. W. I. Dutcher, who is in a hospital in that city.

Rev. W. S. Gray preached his last sermon of the conference year to a large congregation Sunday afternoon. His many friends here hope he will be returned to this charge another year.

Mr. and Mrs. D. A. Scott arrived Tuesday night from Worcester, Mass., and spent the night at the Rio Vista

hotel. They came over to the beach Wednesday morning and will spend the remainder of the winter at Holly Road Villa.

Recent arrivals at the Ocean View hotel are P. W. Boyle, Warren, Ohio; Stephen Boyle, New Castle, Pa.; Mr. and Mrs. A. E. Hazey, Scio, Ohio; Miss N. F. Saffell, Knoxville, Tenn.; Mrs. Emilie Frankenburg, Columbus, O.; Miss Maude Sullivan, Columbus, O.

The W. C. T. U. was delightfully entertained last Friday at the home of Mrs. B. Bartholomew. Mrs. Jernee gave a very interesting account of a trip to Europe, after which the regular business of the day was transacted. There are now 27 members of the W. C. T. U., which is a big gain in membership this year.

Somebody asks the question, "Why can't Coronado build a bungalow to be given away in connection with the one to be given away in New Smyrna?" The idea is advanced to make the bungalow here a second prize in the contest and have it cost not more than half as much as the Bungalow Beautiful will cost. This same public spirited person offered to give a lot on which to erect the bungalow. Let's put Coronado on the map while New Smyrna is being put there. What say YOU?

(Crowded out last week.)

Fishing from the bridge continues good. A number of sheephead have been caught recently.

Mrs. Emma Vrooman has leased all of her home for the winter season and is staying with friends in the Wolverine apartments.

Friends of Mrs. W. I. Dutcher will be glad to know she is recovering from her recent operation in a Dayton hospital.

Mr. and Mrs. Lewis Perry and the former's parents, Mr. and Mrs. Perry, Sr., motored to Kissimmee and spent the week end with friends.

Mr. and Mrs. Frank Holmes and Mr. Holmes' mother and Mrs. M. Burroughs of Detroit, Mich., arrived last Friday and have an apartment in the Ohio house.

Mr. and Mrs. Dilliam Cook and Mrs. Knapp and Miss Knapp of Batavia, N. Y., stopped Monday night enroute to Miami, where they will spend the season, and visited with their friend, Mrs. Torney.

Mrs. George Worden and sister, Mrs. Woodbury, and their aunt, Mrs. Mary Spence, of Cleveland arrived Thursday for a month's stay with their parents, Mr. and Mrs. Howard Smith, and other friends.

A jolly crowd of 21 persons enjoyed a picnic at Turtle Mound Wednesday, going down in Capt. Albert Moeller's boat "Uno." A bountiful dinner was served at noon and roat oysters were in abundance. Of course all of the men fished and one of the party, Mr. Pipes, was well rewarded for his efforts when he landed a 12-pound sea bass. The party returned late in the afternoon, tired but happy.

The first meeting of the Woman's auxiliary to the Coronado club was held Tuesday afternoon in the clubhouse. The meeting was called to order by the president, Mrs. E. H. Dunham, and the principal topic discussed was the annual bazaar, which is to be given February 22. Matters of importance concerning the bazaar were talked over and Mrs. Howard Smith was appointed chairman of the

A Rat Breeds 6 to 10 Times a Year, Averaging Ten Young to a Litter. Remember this, act as soon as you see the first rat. Get a pkg. of RAT-SNAP. It's a sure rat and mice destroyer. It's convenient, comes in cake form, no mixing. Mummies rat after killing—leaves no smell. Cats or dogs won't touch it. Three sizes, 35c, 65c, \$1.25. Sold and guaranteed by Pitzer Fur & Hdwr. Co.

DO YOU CATCH COLD EASILY

Your Vitality Is Low—Resistance Weak

YOU NEED PEPTO-MANGAN

Rich, Red Blood Will Strengthen You and Put You on Your Feet—Able to Resist Colds

Your system normally healthy should never catch cold. Your body is adjusted to take care of sudden changes in the weather.

It is when you are run down and your vitality is low that your blood cannot adjust itself. Then you take cold.

If you keep your blood in good condition, with plenty of red corpuscles, you will be strong and your body will easily adjust itself to sudden changes. You will throw off the cold germs that go flying into the air when someone with a cold sneezes.

Red-blooded men, women and children eat well. They have plenty of energy. They go along with a smile because they feel right.

Try Pepto-Mangan, the successful tonic. It is a wonderful blood builder. Take it for awhile till you feel right.

Pepto-Mangan is widely and heartily endorsed by physicians. It is effective and easy to take. It is prepared in both liquid and tablet form. The medicinal properties are the same.

Sold at any drug store. But be sure you get the genuine Pepto-Mangan—"Gude's." Ask for it by name, and be sure the full name, "Gude's Pepto-Mangan," is on the package.—Adv.

restaurant committee, the menu to be decided upon later.

*SEND YOUR FRIENDS views of Florida—postcards and larger sizes. Vande Sande Studio.

The New Year's reception given at the clubhouse was enjoyed by all present. A greater freedom from formality than is sometimes the case among so many people strange to each other. Over 150 guests were present and during a call for citizens from different states Ohio proved her superiority in numbers by 70 answering to the roll. Residents from ten other states were present. A pleasing program, including both vocal and instrumental and readings was rendered by Miss Ethel Curry, Loranell Houston, Mesdames Tourney and Houston, Messrs. Reimers and Pipes. Punch and fancy cakes were served by the entertainment committee preceding the Virginia reel and some games were played. The party closed with everyone standing and singing "Auld Lang Syne." Wednesday night the regular weekly social was held and a number of people attended.

SHILOH AND ALLENHURST

Miss Ethel Williams has recovered from her recent illness.

J. A. Perkins arrived Sunday for a short stay and is again located at the Coronado house.

Mrs. Arthur Dunn and little daughter of Titusville arrived Sunday to spend a week with Mr. and Mrs. J. A. Taylor.

Mr. and Mrs. Meeker and family have gone to Miami for a stay of several weeks, but will return here before going to their home in Georgia.

Mr. and Mrs. Primus of Charlotte, N. C., and Geo. Ruffelt are occupying the Jerry Griffin home place, and their many friends are glad to welcome them in the community again.

The Y. M. C. A. of DeLand held a meeting in the Shiloh school building last Sunday. There were splendid addresses, good music and those who came out enjoyed the service and it is hoped they will come again soon, and a larger crowd will certainly be present.

The Child's Welfare League of Shiloh and Allenhurst met with Mrs. George C. Kuhl last Thursday. There was a good attendance of members and several visitors were also present. It was voted to appoint Messrs. Kuhl, Paddio and Taylor a committee to build a fence and walk and plant some shade trees in the new school grounds and the league would bear the expense. It is hoped that this can be done before the next meeting, then work can begin beautifying the school grounds. After the business was transacted Mrs. Kuhl served sandwiches, coffee and cake and a delightful social hour was enjoyed by all.

Today's Snear.

Lots of men think they are deep because they have that sort of voice.

ed annually at an annual meeting of the stockholders to be held on the first Tuesday after the first Monday in January of each and every year, and the President, Vice President and Secretary and Treasurer shall be annually elected by the Board of Directors chosen in each year, and such officers shall be stockholders of said corporation. The office of Secretary and Treasurer may be held by the same officer.

The time, place and manner of calling meetings of the stockholders and directors shall be fixed by the bylaws of said corporation, and the election of the Board of Directors shall be by ballot, each stockholder to be entitled to one vote for each share of stock owned by them.

The Board of Directors shall provide for the election and appointment and fixing the duties of such other officers or agents as they may deem necessary corporate and politic under the laws of the State of Florida, and adopt the following proposed charter.

ARTICLE I.
The name of this corporation shall be NEW SMYRNA MASONIC TEMPLE INCORPORATED, and the office of its principal place of business shall be in the City of New Smyrna, Volusia County, Florida.

ARTICLE II.
The general nature of the business or businesses to be transacted by said corporation shall be:

To purchase, or erect and maintain a building or buildings, for the use of Masonic and other Lodges and Societies, and for professional, mercantile, commercial and or manufacturing uses or purposes;

To manufacture, purchase or otherwise acquire, own, mortgage, sell, assign and transfer, or otherwise dispose of, to invest, trade, deal in and with goods, wares, and merchandise and real and personal property of every class and description;

To issue bonds, debentures or other obligations of said corporation from time to time, for any of the objects or purposes of the corporation, and to secure the same by mortgage, pledge, deed of trust, or otherwise.

The enumeration of the special powers hereinbefore set forth shall not be taken as a restriction upon the powers of said corporation, but said corporation shall have all the powers germane to the purposes for which it is organized, and shall also have all the powers authorized by, and usually granted to corporations under the laws of the State of Florida.

ARTICLE III.
The amount of capital stock of said corporation shall be Thirty Thousand Dollars (\$30,000.00), and the said capital stock shall be divided into three hundred (300) shares of a par value of One Hundred Dollars (\$100) each.

The said stock may be paid for in lawful money of the United States, or any part thereof may be paid for in property, labor or services at a just valuation to be fixed by the Board of Directors of said corporation at a meeting called for such purpose.

Said corporation shall have the authority to issue non-participating, cumulative interest bearing preferred stock, the total amount of which shall not exceed Fifteen Thousand Dollars (\$15,000); bearing interest at the rate of six per cent per annum from the date of issuance; the par value of such stock shall be Fifty Dollars (\$50) per share and the same shall be refundable under such manner, terms and conditions as the Board of Directors may determine. Such stock shall only be issued after a favorable vote for such action shall have been taken by the stockholders representing seventy-five per cent of the paid in capital stock of said corporation at a meeting or meetings duly called and held for such purpose.

ARTICLE IV.
The term for which said corporation shall exist shall be perpetual.

ARTICLE V.
The officers by whom the business or businesses of said corporation shall be conducted shall be by a board of

or advisable, and make such rules and take such action not inconsistent with the charter and bylaws of said corporation as they may deem advisable to operate and carry on the business of said corporation.

ARTICLE VI.
The names of the officers who shall conduct the business of the said corporation until those are qualified who shall be elected at the first annual meeting of the stockholders, are as follows:

A. G. Krueger, President; K. L. Chilton, Vice President; T. W. Bush, Secretary; Charles Ebenbeck, Treasurer. The aforesaid officers together with Howard G. Putnam, Trustee, G. L. Comer, Jr., Trustee, H. I. Hamilton, Trustee, E. V. Smith, Trustee, and D. F. Douglass, Trustee, shall compose the Board of Directors.

ARTICLE VII.
The highest amount of indebtedness to which the said corporation shall at any time subject itself shall be One Hundred Thousand Dollars (\$100,000.00).

ARTICLE VIII.
The corporate seal shall be an impress stamp bearing the words "NEW SMYRNA MASONIC TEMPLE INCORPORATED."

ARTICLE IX.
The stockholders of the corporation shall adopt bylaws not inconsistent with the charter of the said corporation and the laws of the State of Florida for the government of its officers, and those first adopted shall be adopted by a vote of the majority of all the shares of the capital stock of said corporation, and may be amended in the manner provided for in said bylaws.

ARTICLE X.
The names and residences of the subscribers, and the amount of stock subscribed for by each, are as follows:

A. G. Krueger, New Smyrna, Florida.	one share.
K. L. Chilton, New Smyrna, Florida.	one share.
T. W. Bush, New Smyrna, Florida.	one share.
Chas. Ebenbeck, New Smyrna, Florida.	one share.

STATE OF FLORIDA,)
COUNTY OF VOLUSIA,)
Before me, a Notary Public of the State of Florida at Large, personally appeared A. G. Krueger, K. L. Chilton, T. W. Bush, Charles Ebenbeck, Howard G. Putnam, Trustee, G. L. Comer, Jr., Trustee, H. I. Hamilton, Trustee, E. V. Smith, Trustee, and D. F. Douglass, Trustee, to me well known to be the persons described in and who executed the foregoing Articles of Incorporation, respectively in their individual or representative capacities, and severally acknowledged the execution thereof to be their free and authoritative act and deed for the uses and purposes therein expressed.

Witness my hand and official seal this 31st day of December, A. D. 1920. MAURICE W. ASHTON, (Jan7-fb4) Notary Public.

A SAFE TEST

For those who are in need of a remedy for kidney troubles and backache, it is a good plan to try Doan's Kidney Pills. Ask your neighbor. They are strongly recommended by people in this vicinity.

A. W. Wathen, farmer, 400 W. First St., Sanford, Fla., says: "I have used Doan's Kidney Pills off and on for several years and they are the best remedy to be had. I have suffered a lot with my back and kidney weakness. On several occasions Doan's Kidney Pills have come to my rescue when I was completely down and out with kidney trouble. When I feel their need now, they always bring the same quick results and I can't say too much in their praise." (Statement given May 22, 1914.)

On March 19, 1918, Mr. Wathen said: "I am still as strong in praise of Doan's Kidney Pills as ever. I haven't needed Doan's since giving my last endorsement."

Price 60c, at all dealers. Don't simply ask for a kidney remedy—get Doan's Kidney Pills—the same that Mr. Wathen had. Foster-Milburn Co., Mfrs., Buffalo, N. Y.
